## Magazine Corrections

The winner of the 2022 Dog of Year Trial was Boone County Rum, owned by Jeff Moore and handled by Mychalie Moore, both from the Kentucky Region. Rum is out of Little Bobby Mac and McCandless Maggie May – both from the super McCandless line of Brittanys now with the Boone County line of Brittanys following in their pawsteps. Rum is a 3x NSTRA Champion with 71 total points of which 31 are first place points. Her first placement was on 11/26/2017 at a Thanksgiving Trial at the Amo Club. In 2019 she placed at the Shriner's Trial in Sparta, Illinois. The Jim Harmon Memorial Trial earned Rum a 2nd in January, 2021 with a 3rd place during a qualification run at the Quail Forever Trial in 2021. Mychalie and Rum won 2nd during a qualification run at the Kentucky Regional Elimination in April, 2022. Her first championship was at a Glenn's Valley Trial on 12/8/18, 2nd at the Kentucky Regional on 4/23/22 and 3rd on 11/12/22 at the Rooster Haven trial. Quite an impressive history for these sharp, young ladies.

Jeff, Mychalie, and Rum were presented with the famous DOY trophy and belt buckle, 450# of Purina ProPlan and winner's jacket, a Garmin 550, a Dakota 283-G3 Kennel, Red Haw Supply gift certificate, gift certificate from Dogs Unlimited and 4 months supply of Total Canine Relief from Ramard. This is truly a family affair with Jeff, Mychalie and Aunt Sarah (Moore ETC); she's the one in the clubhouse making t-shirts. Congratulations to the Moore Family and Rum for a spectacular week.

## 2023 Ground Hog Trial February 18th-19th, 2023 Cedar Fort, UT

It has been quite a long winter here in Utah, we have had much needed moisture throughout the winter season but it has made for what has felt like an extra long winter season. As we all start to get spring fever in hopes of the weather warming up, it is always fun to have our Ground Hog trial to look forward to. It means that spring is almost here and trial season will be underway. This year's Ground Hog trial would turn into a muddy, mucky mess to reach our Pole Canyon trial grounds. I am sure each person that drove out to the grounds will have to spend an hour at the car wash spraying off their vehicle.... :). It was all worth it though, we had an amazing trial with amazing people. Our region is the best because of the warm, wonderful, welcoming people that make it so enjoyable.

The morning's would start out very cold, and then it would give way to a nice sun shiny day that would thaw the ground out and make it a tough walk around the field for the handlers. We made the best of the situation we were dealt and had some great dog work and some great scores. We want to thank everyone that worked so hard to make this trial happen. We appreciate the Judges, Marshall's, Bird Planters, and all those that came out to support our region.

### SATURDAY A FIELD

The A field was judged by Angie Wonnacott and Barratt Gorshe. In the 11th brace of the day, Rich Lowe and his flashy setter Zoey would make a great run and go 4/3. They were lucky enough to get a back off of their brace-mate to end their bid with a score of 741.6 to take home 3rd place, nice work. Bret Wonnacott and Snaps would come to the line in brace 5 where they would go 3/3 and get a back. They had very high scores that resulted in a great final score of 746 to take home 2nd place. Great job Bret and Snaps. The run of the day was in the very first brace where Kelly Irons and his shorthair Annie where they went 4/4 and a back to get the win with a final score of 879.5. This performance would put them at the top of the podium. They are also leading our high point standings for the season with this win. Great work Kelly and Annie!

### SATURDAY B FIELD

The B field was judged by Dennis Haggard and Josh Morris. In brace 8 we would have newcomer Quinn Inwards and his snappy wirehair Jade make a splash with their

first run ever in NSTRA. They went 3/3 and had fantastic scores on the card, their final score of 660 would be good enough to take home 3rd place. I have a feeling we will be seeing plenty more of them on the podium in the future, great job Quinn and Jade. In brace 9 Joel Cartwright and his wirehair Knox would put on a show and find 4 birds. Their final score was 787 which would put them in 2nd place, Knox is young and is turning out to be an incredible bird finder, great work. The run of the day came from Cade Allen and his Brittany Annie in the very first brace of the day. They went 4/4 and a back to secure the win and take their place atop the podium. With this win Annie now has all of her first place points towards her championship. I am sure it won't be long until they get there. Nice work Cade and Annie!

SUNDAY B FIELD

SUNDAY A FIELD

The A field on Sunday was judged by Maureen Goodrich and Barratt Gorshe. In brace 4 on the day Braydon Whiteley and his shorthair Roan would have a fantastic run where they were able to locate 4 birds. They ended the run with a score of 784.5 which would hold on to a 3rd place finish. Nice work! In the last brace on the day we would have Gavin Cook and his liver and white Brittany Lilly have an incredible run of 4/4 and a back to end with a final score of 851.33 to take home 2nd place and their second placement on the day. Incredible day Gavin, we will have more to say on this later. The run of the day was in brace 13 where Lance Hansen and Rip were lucky enough to find 5 birds and take home first place with a final score of 931. With this win it gave them enough points to earn a championship on Rip.

The B field on Sunday was judged by Troy Anderson and Lance Neilson. In brace 6 Cade Allen and his dog Annie would have another great run on the weekend and find 3 birds, securing 3rd place and their second placement of the weekend. Their final score was 648.5, great job. In brace 3 on the morning Bret Wonnacott and his setter Snaps would dominate and find 3 birds giving them a final score of 679 to take home 2nd place and give them their second placement on the weekend. Always a pleasure to see them on the podium. The run of the day in B field would come from Gavin Cook and his Brittany Lilly, they have been learning and growing in the sport and it would all come together for them on this day. They got the win in B field finding 4 birds and a final score of 721. That first NSTRA win is the sweetest, way to go Gavin and Lilly!! We just wanted to make a special effort to highlight one of our up and coming contenders. Gavin Cook and his Brittany Lilly who put on quite a show this weekend. Gavin is 18 years old and has been coming out to our events for a few years now. He has been working hard and learning the game and all that hard work is starting to pay off. It has been a joy for our region to watch his development. This is why we have one of the greatest regions in the organization. Our goal as a region is to help the younger generation learn and further our sport so that it can continue for generations to come. This is truly what it is all about and we are proud of Gavin and Lilly!! Keep an eye out for them in the future as they are going to be a force to be reckoned with, keep it up kid!!

Thanks again to everyone that made this trial happen. Thanks to all the trial workers and members that took time to assist and help in anyway, this region could not run the way it is without each and everyone of you. We look forward to the next trial in two weeks. Get those dogs tuned up as it will be another fun weekend of running dogs!

Sincerely,  
Utah Region Presidency and Board

## WELCOME, NEW MEMBERS!!

### THE QUESTIONS:

1. **Where did you hear about NSTRA/what was the appeal of NSTRA for you?**
2. **What breed of dog will you be trialing/what is your background with bird dogs?**
3. **Will your family be a part of the association/attending trials with you?**
4. **Anything else you would like to include?**

### ***Normand Fiset, Central Canada Region***

1. The club I belong to for my NAVHDA testing also run NSTRA competitions... I like the fact that the Shooter/Dog form a team and are evaluated on their united performance.

2. I own a 16 month old male and a 10 week old female. Both Wirehaired Pointing Griffons. 20 years ago I ran in Field Trials for a few years with a Labrador retriever

3. Yes my spouse will attend some of the events

4. Not for the moment

### ***Jeremy Males, Southern Ontario Region***

1. I have been hearing about NSTRA for several years now most often while I have been out at Gold Creek Farms where I have served as a pheasant and chukar hunt guide for the last 12+ years.

2. I will be entering my Red & White Setter (named Lincoln) into the trials that will be held at Gold Creek this spring. Lincoln is my second trained bird dog. He is quite proficient on Pheasants and Chukar this far along. Quail are a new species for Lincoln, but he seems to be getting pretty interested in them now as well. Before him I had an American Brittany Spaniel that I used for personal hunting and guiding. So I have trained two gun dogs myself for personal use but I have also helped others with training their dogs over the last number of years as well. I currently have another couple of individuals that are looking for some help training their dogs and I hope to assist them with that as time permits.

3. My wife and 3 kids are big supporters of all the effort and work I have put into my bird dogs, and I expect that some or all of them will be in attendance for some of the trials.

4. I love dogs and I especially love dogs that are engaged in what they are designed to do. Watching a dog working cover and then turning and locking solid on a bird is a great thrill. It never gets old. I could almost quit hunting and just watch the dogs work.... well almost.

### ***Brian VanEngen, Wisconsin Region***

1. I heard about NSTRA from friends and it seems to be a good reason to help my dogs skills.

2. I have an English setter and I have very little background with a pointing dog.

3. If my dog has enough skill to compete I hope to bring my wife along to watch. I hope my sons will also take an interest!

4. I have been a Pro Retriever trainer for the past 25 years and wanted a pointing dog for grouse hunting. Trials should let me know whether my dogs level of training is poor, avg or good. I look forward to meeting other bird dog owners!

### ***Chuck Becker, Southern California***

1. From Eric Von Herzen introduced me and I attended a trial with Eric.

2. My dog is a French Brittany Spaniel that will trial in NSTRA. I'm an upland hunter and love pointing dogs. Gil- lie is my second French Brittany. I don't have much training skill but have been lucky picking dogs and trainers.

3. My wife will attend a trial occasionally.

4. I love hunting dogs. I work my dogs all year. I'm pleased to participate in NSTRA.

## TOP PERFORMANCE AWARD:

To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

\*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

## HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

(continued on next page)

## Important Things to Remember

(continued from previous page)

### REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

### OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

### UNREGISTERED DOGS:

As of June 1st a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

### NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions.

# 2023 QUAIL *forever* National Championship Trial

The Quail Forever National Championship Trial began at 7:00 am on Wednesday, February 22, 2023, with a salute to the flag, singing of the National Anthem by Ron Huels and attendees, and a prayer by Bo Nutt.

*Opening morning U.S. anthem & prayer*

It was a little rainy & rain would continue through the morning, but the Tokeena Bird Dog Club in Seneca, South Carolina was ready for anything that mother nature provided. A big thanks to Mark Turner for the use of his property, Doc Ramsey, Paige Lee, Myron Gregory and Billy Moore who took care of anything that needed doing. Again, a big thank you to Gene Frye for producing fabulous meals. He makes the best meatloaf & always tells you if you paid what it was worth, you couldn't afford it.

A big thanks to our sponsors Purnia, Dogs Unlimited, Dakota 283, Red Haw Supply, UKC, and Ramard. We also thank our onsite sponsors – The Quail Forever Team:

*Terry DeMaria, Terry Martin, and Michael Siegel*

*Quail Forever Rep Rob Lanning, Chrystal Moore accepting her prize with Mychalie Moore the trial chairman, and Quail Forever Rep Mark White*

Again this year, Quail Forever conducted an auction making money for quail habitat and fun for all participants. See the end of the article for some of the auction items and the winners.

*Mike Perry from Garmin*

*Lori Sprick, Chrystal Moore & our sponsor Moore, Etc – Sara Moore*

Each entry received a 6 lb. bag of Purina ProPlan, a Quail Forever hat, koozie, and buff created by Moore, Etc and a jar of Bastin Honey from Knightstown, IN donated by Moore, Etc.

This year, there were 23 regions in NSTRAsouth Carolina represented with Kentucky having the most entries with 17 followed by Michigan with 11 and the South Carolina & Georgia with 10 each.

*Manon Chamberland, owner, and gunner  
Etienne Lavoie and Hockley*

*Guy Gelinas & Ranger*

The 4<sup>th</sup> runner-up was Watson's All-in Ranger owned Guy Gelinas. Ranger is a 6X champion from the Central Canada region.

*Tina Sterner & Clyde*

The 3<sup>rd</sup> runner-up was Runnin J Outlaw (Clyde) owned and handled by Tina Sterner. Clyde's sire was Hard Hitting

Winchester and her dam was HHK Two Dollar Pistol from the Jim Harmon line. Clyde is an German Shorthair Pointer female and 5 years old. He is a 1X Champion and a 1X Amateur Champion. He was 3<sup>rd</sup> runner-up in the 2022 Georgia regional. Tina was awarded a Quail Forever trophy, Purina ProPlan, a runner-up's jacket, a Garmin gift certificate, Montana Silversmith belt buckle, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and Total Canine Relief from Ramard. Congratulations to Clyde and Tina for an impressive trial.

*Roger Parient & Rose*

The 2nd runner-up was Kickapoo Sioux's Wild Rose owned and handled by Roger Parient Jr. Rose's sire was Smith's Shadow Oak Caffrey and dam Kickapoo Sioux Too. She is 2 years old & has accumulated 11 open points before the QF. Considering that she was up against 128 more seasoned dogs, she had a big hill to climb but was lucky to have a seasoned handler like Roger Parient who is not new to the winner's circle. Roger was awarded a Quail Forever engraved trophy, Purina ProPlan, a runner-up's jacket, a Garmin gift certificate, Montana Silversmith belt buckle, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and Total Canine Relief from Ramard, Congratulation to Roger and Rose for a great performance.

*Clay Johnson & Tito*

The 1<sup>st</sup> runner-up was Bone Point's Icarus (Tito) owned by Joshua Wolff from the Northwest Region and handled by Clay Johnson from the Georgia region. Tito is a 3-year-old male bred out of Bone Point Kennels by Kelley Jobes and Matt Solt from Wired West. Tito's sire is one of the most decorated wirehairs ever - NFC FC AFC Wired West True Grit UT1 (national field champion, field champion, amateur field champion & Navidad utility prize 1). The dam is Bone Point's Marley (NA 112/I, UT 162/III). In his first three seasons, Tito earned his stripes hunting wild birds in MT, SD, ND, WA, ID, OR, AZ, and Canada. Joshua had no intention of running him in NSTR as he had never played the game, however a close friend of his, Clay Johnson, suggested he give him go after hunting over Tito in MT. Spring of 2022 Tito ran a few trials in WA with some placements, and then started running with Clay in GA after the 2022 hunting season. In less than a year he earned his first CH. Joshua feels pretty humbled by this young dog and hopes to breed him in

the near future. Joshua / Clay was awarded a Quail Forever engraved trophy, Purina ProPlan, a runner-up's jacket, a Garmin gift certificate, Montana Silversmith belt buckle, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and Total Canine Relief from Ramard. Congratulations to Tito, Joshua & Clay to an impressive trial 1<sup>st</sup> national trial.

*Mikeal & Rose Mulberry with Ally*

The Champion was Skipper's Smokin Ally (Ally) owned and handled by Mikeal Mulberry of the Kentucky Region. Ally's sire was Tomoka's Smokin Bomb and her dam was Shouse Dogwod Abby. Ally is an English Setter female and 6 years old. Ally was 1<sup>st</sup> runner-up in the 2021 Quail Forever & at that time she was just a 3X champion so the last 2 years have been extremely busy this pair. Ally is now an 8X champion with 144 open points with 87 first place points. Ally placed 4<sup>th</sup> at the 2022 Quail Forever, 2<sup>nd</sup> at the 2022 UKC Performance, and 10<sup>th</sup> at the 2022 DOY. # Interview with a Winner

## Mikeal Mulberry, Kentucky Region

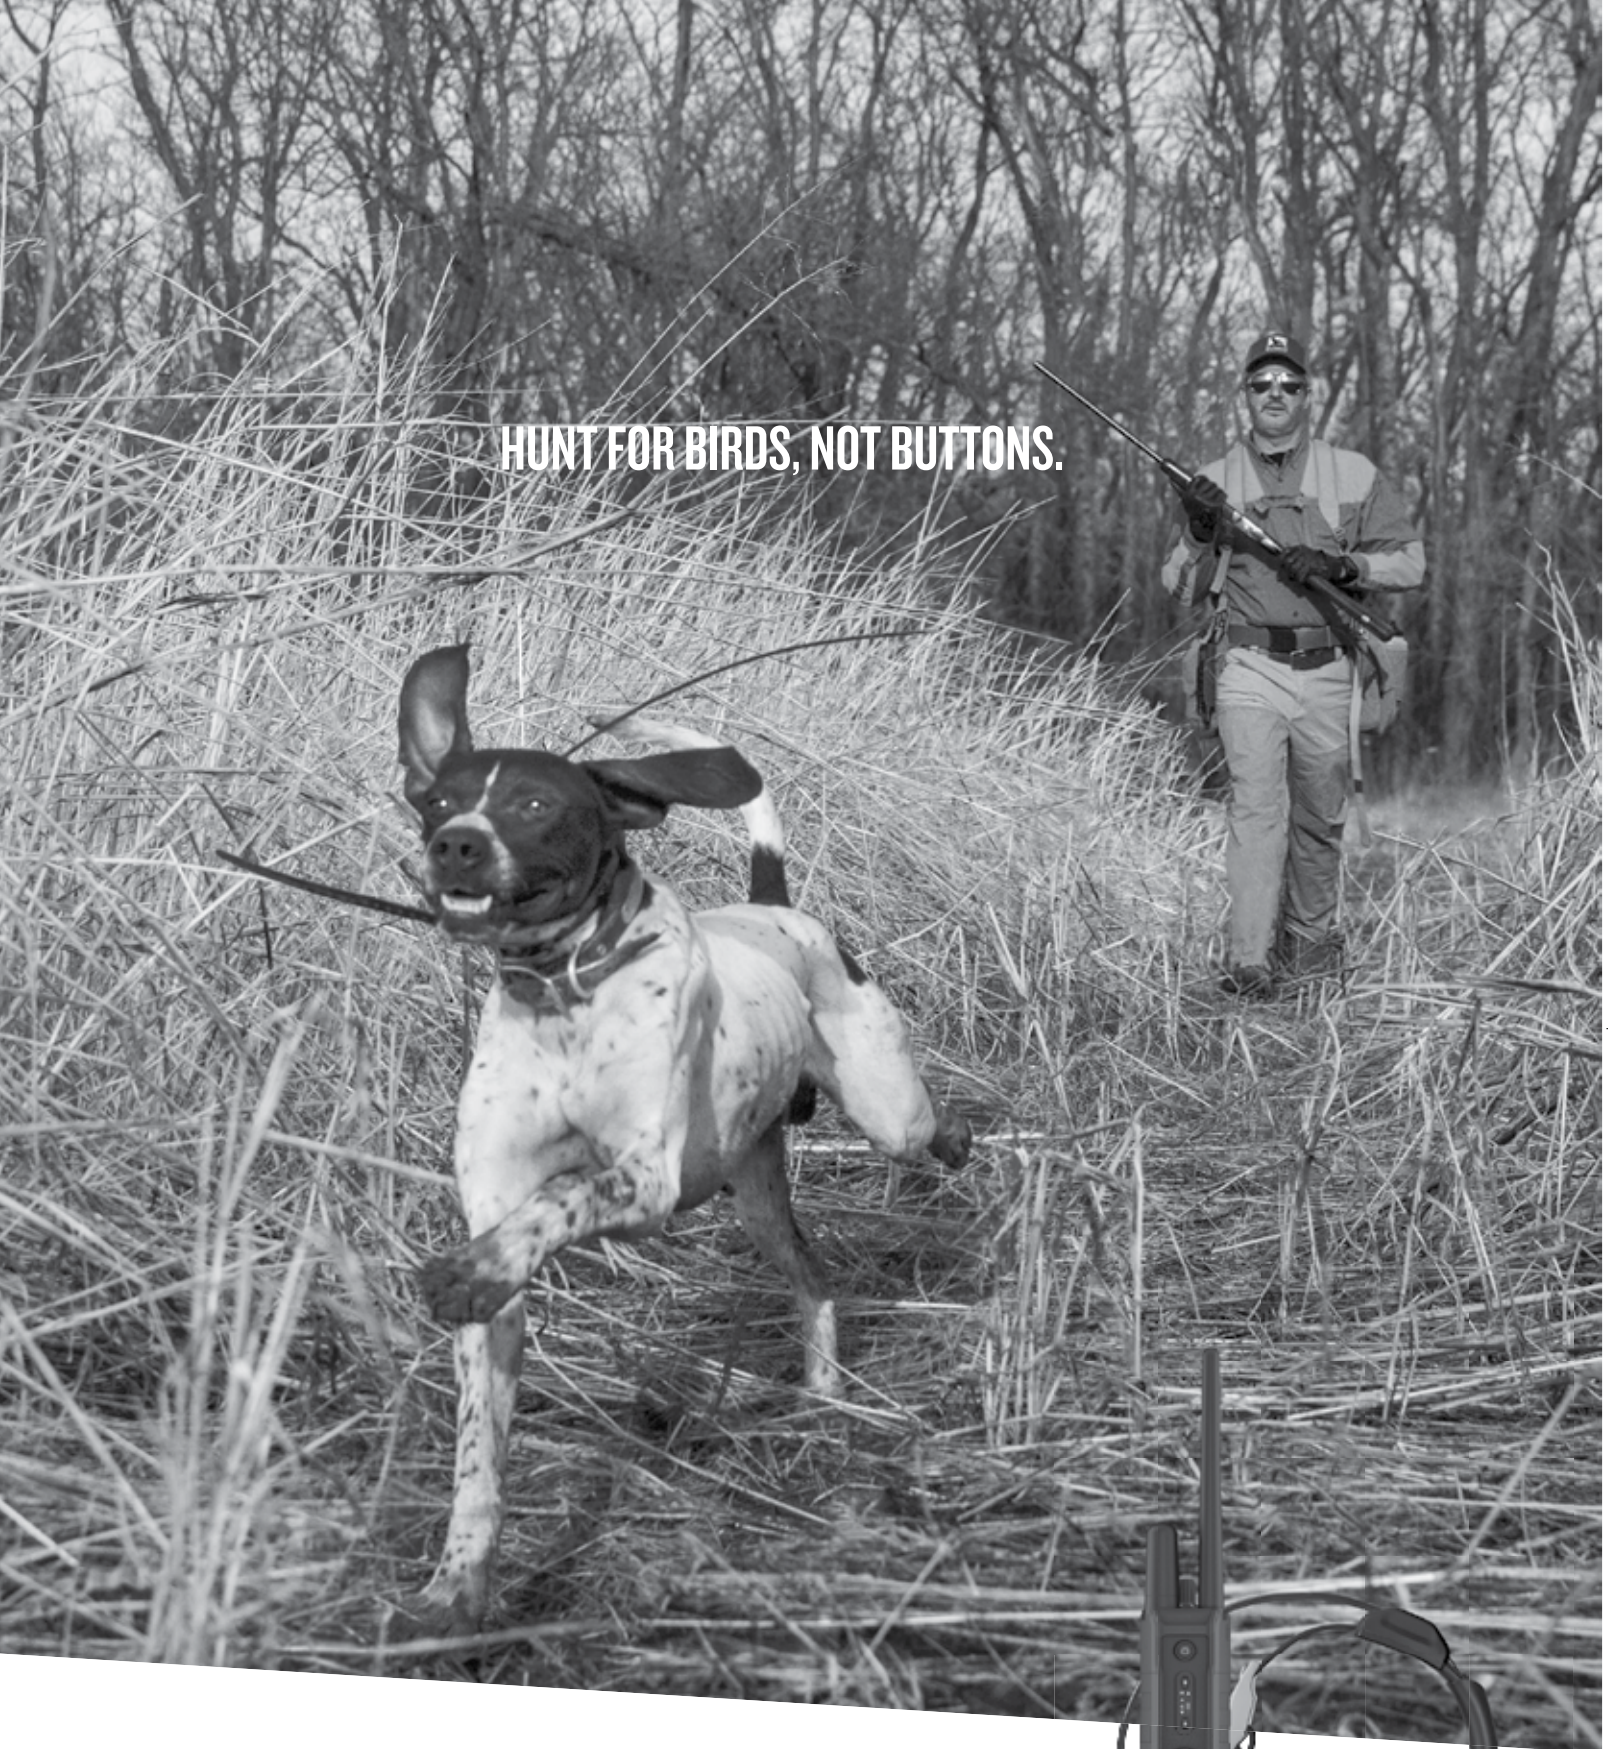

1. How did you get started in NSTRA? A friend of my fathers, Mr. Tom McCandless is a long-time member of NSTRA and bird dog enthusiast. He introduced both my father and I to the game when I was 12 years old.
2. What was the name of your first dog and did you raise it yourself? My first bird dog was an English Setter female named Doodles. My dad traded an old shotgun and \$50 for her when she was 8 weeks old. We raised and trained her ourselves, with the help of Tom McCandless. She was a 6X NSTRA champion and likely the reason I have been in this game for over 25 years.
3. Did you raise and train Ally by yourself? Ally was, whelped, raised, and trained by myself and by father.
4. How did you prepare for the QF Championship? January & February are really tough months for me to condition dogs due to the daylight constraints. I was lucky enough this year to get help from a great friend, David Deaton, as well as my father. These two guys worked Ally nearly every day from Christmas up to the week of the trial. I'm confident without their help we wouldn't have had this success.
5. Did you do anything different for the QF run than you do for your weekend runs? Nothing really different. I typically like to condition as much as possible leading up to each national trial and allow a few days of rest and recovery immediately before the start of each event.
6. Which was the toughest brace during your week at the QF? Each and every brace was tough in it's own way. I would have to say that the final hour was the toughest in this particular event. Ally had been off of her feed since the 1<sup>st</sup> round and that had really started to take it's toll by Saturday. Her diminished energy level coupled with the tough competition on the final hour made it particularly difficult.
7. When did you actually think you had a chance at winning the championship? I like to think that we have a chance to win at every national event we show up to. With that said this was my 1<sup>st</sup> win in over 20 years of competition, so I'm not sure how I'm able to keep that mindset?
8. Who has helped/influenced you the most in NSTRA? I would have to say there are two individuals that have had the greatest influence for me in this game. Firstly my father who introduced me to the game and hauled me all over the country allowing me to learn the game and compete at a young age. We have continued to breed, train, and compete dogs together now for over 25 years. Secondly would be Mr. Tom McCandless. Tom introduced both my father and I to NSTRA as well as many of the same training techniques that we use today. Tom also taught me how to win and lose like a sportsman. Never make excuses, and anytime you lose be willing to congratulate the winner and acknowledge that on that day you just got beat by a better dog.
9. What would you tell a new handler the best way to prepare for a championship trial? Preparing for a championship trial is really no different than preparing for any weekend event. The same principals are required to win, with one exception. Conditioning is a must for championship events. In order to make multiple cuts on a Saturday there is no replacement for a well conditioned dog.
10. What is your favorite memory from the 2023 QF Championship? So many great memories from the trial! The national trial scene has become much more than a bird dog competition for me and my family. We have been fortunate to travel the country over the past several years and compete in National Events. During that time we have made friends with folks from all corners of the country and various walks of life. It is always fun to catch up and visit with our friends, discuss what's going on in our lives and yeah even talk about bird dogs. At this particular event I was fortunate to have my entire family on site and that made it extra special!

# Lyme Disease in Dogs: Symptoms, Tests, Treatment, and Prevention

By Harriet Meyers

Published: Apr 12, 2023 | Updated: Apr 20, 2023/Reprinted with permission

[Lyme Disease in Dogs: Symptoms, Testing, Treatment, and Prevention \(akc.org\)](#)

Lyme disease, also known as Lyme borreliosis, is a bacterial illness that can be transmitted to humans, dogs, and other animals by certain species of ticks. It is caused by the spiral-shaped bacterium *Borrelia burgdorferi*, which is carried inside a tick and gets into a dog or person's bloodstream through a tick bite. Once in the bloodstream, the bacteria can travel to different parts of the body and cause problems in specific organs or locations, such as joints, as well as overall illness.

Given the seriousness of Lyme disease, it's important to be aware of [tick prevention and treatment for dogs](#).

## Where Do Ticks Live?

The ticks that carry Lyme disease are especially likely to be found in tall grasses, thick brush, marshes, and woods — waiting to latch onto your dog when they pass by. A tick can transmit the disease once it has been attached to a dog for 24 to 48 hours.

First named when a number of cases occurred in Lyme, Connecticut, in 1975, the disease can be hard to detect and can cause serious, ongoing health problems in both dogs and people.

Lyme disease happens in every state, but infection risks vary. Over 95% of cases are from the Northeast, the Upper Midwest, and the Pacific Coast, although with recent changes in deforestation, migrating deer, and bird populations, percentage rates in these areas are constantly changing. A small number of cases crop up each year along the West Coast, especially in Northern California. In Canada, Lyme-positive dogs are found mostly in southern Ontario and southern Manitoba. A smaller number of cases are reported each year in southern Quebec and the Maritime Provinces.

## How Do Ticks Get on People and Dogs?

Ticks don't jump or fly—they can only crawl. They get onto their host by waiting at the tips of vegetation. When a dog or person brushes against a bush, for example, the tick quickly grabs on and then crawls to find a place to bite.

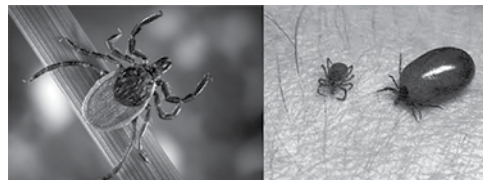

## What Are the Symptoms of Lyme Disease in Dogs?

Lyme disease is, unfortunately, a fairly common canine disease. Typical symptoms in dogs include:

- Fever
- Loss of appetite
- Reduced energy
- Lameness (can be shifting, intermittent, and recurring)
- Generalized stiffness, discomfort, or pain
- Swelling of joints

Symptoms can progress to [kidney failure in dogs](#), which can be fatal. Serious cardiac and neurological effects can also occur.

The primary carrier of Lyme disease is the black-legged tick (*Ixodes scapularis*), also called the "deer tick" or "bear tick." The tick acquires the Lyme disease bacterium when it feeds on an animal that has been infected, such as a mouse, deer, or another mammal,

and then transmits the bacterium to the next animal it feeds on. Image: CDC

## How Are Dogs Tested for Lyme Disease?

Diagnosis is made by a combination of history, physical signs, and diagnostics. For dogs, the two blood tests for diagnosing Lyme disease are called the C6 Test and Quant C6 test. Veterinarians perform both.

The C6 test detects antibodies against a protein called "C6." Presence of the antibodies suggests an active Lyme infection. The C6 antibodies can be detected three to five weeks after an infected tick bites a dog and may be found in the bloodstream, even before the dog shows signs of illness.

The next step is to do a Quant C6 test. This, along with urinalysis, will help determine if antibiotic treatment is necessary.

## How Is Lyme Disease Treated?

Treatment includes antibiotics, usually for at least 30 days. This often resolves symptoms quickly, but in some cases, the infection will persist and prolonged medication may be needed. Treatment can also include other therapies aimed at resolving or relieving specific symptoms.

## Can I Catch Lyme Disease From My Dog?

Dogs are not a direct source of infection for people. Lyme disease can't be transmitted from one pet to another, nor from pets to humans, except through tick bites. However, a carrier tick could come into your house on your dog's fur and get on you.

If your dog is diagnosed with Lyme disease, you and any other pets have probably been in the same outdoor environment and may also be at risk. So it is a good idea to consult with your physician and veterinarian to see whether you should test other pets or family members.

## Preventing Lyme Disease and Other Tick-borne Illnesses

Recommendations on preventing ticks include these from Dr. Jerry Klein, Chief Veterinary Officer for the AKC: Inspect your dogs and yourself daily for ticks. After walks through the woods or grassy settings, check yourself and your dog for ticks. When [inspecting your dog for ticks](#), look especially on the feet (and between toes), on lips, around eyes, ears (and inside ears), near the anus, and under the tail.

Remove ticks immediately. The quicker you find them, the less likely your dog will be to contract a secondary illness related to tick bites. Learn the proper method of [removing ticks from dogs](#). Invest in a pair of fine [tweezers designed to remove ticks](#). If you are unable to do so, consult with a veterinarian. Ask your veterinarian to conduct a tick check at each exam. They'll be able to find any you may have missed.

Use one of the veterinary-approved flea and tick preparations to prevent ticks from jumping on your dog. Speak to your veterinarian to find the product that's most appropriate for your dog.

Keep grass mowed as short as possible. Avoid walking into grassy patches in areas where ticks are common if you can. Get your dog vaccinated. Vaccination could prevent your dog from getting Lyme disease. They may not be appropriate for some dogs, so discuss this with your vet.

# Back in the Day

## by: Randy Schultz

I was perusing some old trophies from back in the day, and I spied this one from 1993. My setter, Ruby. What a dog! I thought I had a placement before this one at the old Flint River grounds. I remember she had her first 1st Place there with a 5/5. Bodie was judging off Bobwhite. Koon's big wire-hair and my Brittany, Rocket, were peeing on each other's legs and growling the entire brace. Ricky's big setter was winning everything in sight. Brenda Roe was slapping everyone around with her shorthair. I remember one guy wiping his shorthair's bottom after the dog took a dump in the field. (I wasn't sure what to make of that.)

I'd been watching the bird planter closely, and noticed he only put birds in half the field. Ruby and I made short work of that situation. At another trial, we had a new bird planter that put all the birds out around a big oak tree (at a different trial ground). My dog, Jette, and I had 4 birds on the card in 10 minutes when my brace-mate, Ken Bray, came flying over the hill wondering what all the shooting was about. I told him we were having a pretty good brace, and I'd like to chat, but Jette was on her 5th bird. He was not amused!

In the very first trial I ever ran, up in the north Georgia mountains, I was advised by my bracemate, an old man with a big, white pointer, to "Run your own dog!". I nodded like I knew what he meant. I didn't.

Off the start line, that big pointer jumped on my Brit snarling and snapping, and the old man walked over to his pointer, pulled him off, and tossed him about 15 feet into the field, "Git!", he yelled, and the pointer took off. I pondered what that was all about for a while as my Brit found 3 birds in the rain.

Back to Ruby. Body Ray, Bob Stapleton, Dale Lovvorn, and Ricky Gunnyon kept me hyped up with news that this handler or another had 6 birds and I was in second. They were kidding and enjoying immensely my crestfallen look. That's when I truly learned about "being on the bubble". Luckily, the 5/5 held up for Ruby's first 1<sup>st</sup>. Jeff Welker and Boomer were doing well, too.

Once, Ruby and I were running up in Resaca, GA. It was on an old Civil War battlefield. My wife was talking to one of the little girls that lived there. She came to me and said there was a huge fire in town! I said I thought we'd see the smoke if that was the case. Turns out, there was a "FAIR" in town. Somehow the translation was lost in the local dialect. On those fields, I had a great run and Ruby found five birds and finished her first championship. I remember it exactly because I missed all five birds, and Ruby patiently ran them down and put them in my hand! At the old trial grounds in Griffin, Ruby came out of the woods with a swol-

len leg and a snake bite (Copperhead), and we took her to the vet. When we called, the old country vet comforted me with the words, "If she's alive when you get here, she'll be fine." She was, and she was. It was a great time.

32+ years kicking around with great people doing what we loved with dogs we didn't deserve. I probably don't even remember it all correctly, but it really doesn't matter. Plenty of days I limped home with my tail between my legs after chasing a dog into the woods because Brenda Roe called a safety and let my dog watch the bird fly to the trees. She had a handle on her dog and just called him off and took 10 minutes to find more birds, while I was searching for my dog that chased the bird. I learned a lot from her, and Ricky, and Bob, and Dale Lovvorn, Michael Evans, Keith McDill, Keith Howard, Keith Koon, Jimmy Johnson, and many more. I'm still learning from them, and I'm looking forward to the next 20 years.

Turn 'em loose!

# WEEKEND TRIALS (CONTINUED FROM PAGE 3) MARCH MADNESS TRIAL

It is March here in our beautiful state of Utah and that means warmer weather and springtime. Haha, yea right, we should know better than that. We have had one of the snowiest winters on record here in Utah, it is much needed, but I think we are all ready for the warmer weather. Our March Madness trial would look more like our Frozen Toes trial we hold each December with snow still on the ground and very cold temperatures. But we would push forward and have a fantastic trial with great people and great dogs. We had some veteran's do well and take home several placements, as well as some newcomers do well and get their first opportunity at the podium. Despite the muddy road to the grounds, we had an extremely successful event, and we wanted to say thanks to everyone that participated. We especially wanted to thank our trial chairman Spencer Johnson for all his hard work, along with the judges, bird planters, and trial officials.... THANK YOU!!

#### TRIAL HIGHLIGHT Todd Nebeker and Cash

If you have had the pleasure of getting to know Todd Nebeker then you know he is one of the nicest and greatest guys around. He has been coming out to our trials for the last couple seasons, and it has been a pleasure for our region to have him participate. Todd has put a lot of work into his dog Cash, and it is starting to show as they had their best run ever and were able to take home their first placement. I cannot express how excited we all were to see the smile on Todd's face as they were able to hold on to 3rd place and get on the podium. Great job Todd and Cash, we hope this is the start of many placements to come, we look forward to the future!

We will see you at the next one!

Sincerely,  
Utah Region Presidency and Board

## SOUTHERN CALIFORNIA REGION

SoCal NSTRA hosted our first-ever four-day event attended by four regions in Lockwood Valley, CA, over Presidents Day weekend called the Two Bitch Bourbon Grand Slam. A fifth region had attempted to participate but could not get through the 28-dog bye list. This event was co-hosted by two regions, SoCal (Mitch Prowse) and NW (Nelson/Angie Bañuelos), with a high degree of success. Challenges occurred as they always will and were quickly mitigated due to advanced exhaustive planning and preparation for any scenarios we might encounter, resulting in no impact on the trials.

The weather reflected a lovely Manitoba spring like day, while blessed to have no rain for once this year; otherwise, Mike Stotts surely would have buried another vehicle in the mud (LOL). Breathtaking meals were prepared from Friday through Monday (Breakfast, Lunch, and Dinner) by Angie in a banquet-style fashion each day with the assistance of Morgan Cole, making sure judges and attendees were receiving timely notifications on meals being ready. One of our primary concerns had been getting through all the braces with limited daylight, and Jenny Tomlin was an absolute rockstar at ensuring there were no delays. Jenny was so effective in it that we even had enough time leftover each day for 19 braces if allowed, which this time of year leaves us speechless.

We were excited that we had new local members and many members from NSTRA who had never been to SoCal before. We are also amazed by the excellent sponsors for this trial, and with that, we would like to thank (Two Bitch Bourbon - Exceptional Spirits, Battle Born Metals - NSTRA Clocks Richi Hight, Asher Product - Electronic Backing Dog Chuck Asher) for helping us make our event so successful. Additionally a big shout out to Nelson and Angie for donating all of the food and several hundred birds, and the Tomlin/McNamee families for matching some very large donations by the Bañuelos making for an extremely successful weekend showing just what the west can do when we put our forces together earned \$8,802 profit.
