SKIPPER'S SMOKIN ALLY TOP PERFORMANCE WINNER

Ally is a 6 year old English Setter Female owned and handled by Mikeal Mulberry of the KY Region. She is out of Tomoka's Smokin Bomb and Shouse Dogwood Abby. Ally is no stranger to the Top Performance having finished 1st RU in the 2021 Competition. Ally's 2023 campaign started off strong with a 1st RU finish at the UKC Performance Trial in Waverly, NE. From there the Mulberry's loaded up the truck and headed to Lewistown, MT for the Purina Endurance Classic where Ally finished in 18th Position. Next up was the Dog of The Year Championship in Amo, IN where Ally came in 10th. After some Winter Hunting and a little rest it was off to Seneca, SC for the Quail Forever Championship where she finally walked away as Champion! The last National of the season was the Trial of Champions back at Amo where Ally made another Saturday run and finished in 12th place. Ally made a Saturday appearance in all five National Championship Trials during the 2022-2023 campaign! She finished the trial season with 30 weekend points. Ally is a 9X Champion and has been in four National Final Fours. She ended her Top Performance history with 3225 points of which 30 were region points.

Mikeal and the Mulberry Family raised Ally from a puppy. She is a member of the family and is great around the kennel. She is super laid back, spending most of the day laying in her dog house with her head sticking out waiting for Mikeal to get home and take her to the field. Mikeal is incredibly grateful for the opportunities and experiences that Ally has afforded himself and his family. She has led them around the country and has provided a great deal of enjoyment!

In second place was Kickapoo Sioux's Wild Rose, an English Setter female owned/handled by Roger Parient. Rose is 3 years old, a 1x NSTRA champion with 36 lifetime points of which 16 are first place points.

Roger is a member of the Indiana Region. Rose is from Smith's Shadow Oak Caffrey and Kickapoo Sioux Too; whelped and raised at the Kickapoo Kennel. She finished the competition with 21 region points and 2000 Top Performance points, placing 11th at the 2022 UKC Performance Classic, 3rd at the Quail Invitational and 2nd during the 2023 Indiana Regional Elimination. Rose is a feisty, no nonsense setter; always on her game. Roger and Michelle treat their dogs right, riding in the motorhome from trial to trial. No dog trailer for these Kickapoo Setters. They are very proud of their dogs and rightly so. Congrats to the Parients and Rose.

The third place winner was Cloud's Bayou Cash (Buck) English Pointer male, owned and handled by Jeremy Cloud of the Arkansas Region. Buck is 8 years old from Cloud's Elhew Bayou Buckshot and Cloud's Elhew Bayou Belle. Buck is a 5-time NSTRA Champion with 99 total lifetime points of which 61 are first place points. He finished the Performance Award Season with 22 weekend points and 1975 Top Performance Points – 4th place at the Purina Performance Classic, 21st at the Dog of the Year, 20th at the Quail Invitational and 3rd in the Arkansas/Louisiana Regional Elimination. Buck was whelped at Cloud's Topy Creek Kennels (on Dollie Jo's birthday!) and trained by Jeremy. Buck is truly a gentleman of a bird dog; always displaying an excellent demeanor with people and other dogs. Buck was a very consistent performer this last year and displayed tremendous heart which helped him in finishing this high in the Top Performance Point list this year. Congratulations to all the others in the Top Performance race this year.

4th place was True Blue's 105 Howitzer, owned and handled by Jamie Laraway from the Michigan Region. He is from Crosswind Micro Chip and M'Credible Pick of Destiny. Howi has 100 total open points of which 58 are 1st place points. Howi finished the year with 24 region points and 1875 total points; 10th place at the UKC Performance Classic, 9th during the 2022 Purina Endurance Classic; and winning the Michigan Regional Elimination in 2023. As Jamie wrote, Howi once again proved to me that he has the determination and consistency that it takes to not only be qualified for the Top 4 in the Purina Top Performance Award, but to do it two years in a row! Winning the region elimination trial was what secured our place in the Top 4 of this award. That win was extra special considering that our brace mate was my beautiful wife, Kara and her own National Champion, Jersey! Howi is definitely special; he is unlike any dog I've ever owned. The way he runs is methodical; I don't just turn him loose and hope for the best. He has an unbelievable talent in being able to think about each move he makes. The best part about running Howi, is that we are a team. It just seems like we can sense what each other are thinking and make the right adjustments together. It takes a special relationship between a dog and handler to do that. I know that Howi is one in a million, so I am proud of each run we have together - win or lose. Congratulations to all of the winners and qualifiers of the Purina Top Performance Award.

5th place – Double R King – 4 year-old English Pointer male from Crosswind Jim and Double R Liz. King is owned by Herb Ralston from the Illinois Region. He was whelped at the Double R Kennel in Bunker Hill, Illinois. Brandon, Herb's son, has the pleasure of running this exceptional pointer totaling 33 region points and 1850 points towards the Performance Award season. He was 14th during the Purina Endurance Classic, 1st at the Illinois Regional Finals, and 6th during the 2023 Trial of Champions. King is a 4 time NSTRA Champion with 52 first place points and a 2 time regional champion. Congratulations to the Double R Kennel and King.

6th Place – Goodall's Rusty Little Bullet – "Fly" is a 7 year-old Brittany Female owned/handled by Dean Goodall from the Big Sky region. Fly is from Footluce Louie Little Pants and Goodall's First Bullet. She has a lifetime total of 132 lifetime points with 85 first place points. Fly ended the competition with 20 region points and 1750 Top Performance points; 7th at the 2022 UKC Performance Classic, 17 at the TOC 2023 and the winner of the Big Sky Regional Championship. She is a 7x NSTRA Champion and our congratulations to the Goodall's and Fly.

7th Place is Sam's Freiheit How Sweet the Sound "Gracie" – 7 year-old German Shorthair female from the South Carolina Region. Gracie is from Freidelsheim's Freiheit and HOF DC VC Gambles Sam Man MH RDX VCX ROMXX – owned/handled by Mark Clore.

Gracie was whelped at Brenda Roe's Kennel (a name from the past). She finished the year with 29 weekend points and a SCR Regional Champion. Gracie's overall accomplishments include 8x NSTRA Champion, 3x SCR High Point Champion, 2x SCR regional champion and 2022 QF Champion. She placed 13th at the 2023 QF trial and 1st at the SCR Regional Elimination and had 1200 points towards the Top Performance Award. To date, Gracie has accumulated 161 total points of which 91 are first place points. Hats off to the team of Mark and Gracie.

8th Place is Phipps Rollin On "Wheeler" and is a 3 year-old English Setter male owned by Rod Phipps – MW Region member. Wheeler is from Phipp's Linking the Past and Blu's Pepperwill Chloe. He accumulated 26 region points and 1200 points towards the Top Performance Award procuring 9 points at the 2022 DOY Trial and placed 3rd during the Mid-West Regional Elimination. Wheeler is a 2x NSTRA Champion with 38 total points of which 27 are first place points. Wheeler is an important part of the Phipp's Kennel and our congratulations to Rod, Bev and Wheeler.

9th place is Phillips Kickapoo Shadow, 3 year-old English Setter female from Smith's Shadow Oak Caffrey and Kickapoo Sioux Too. She is owned and handled by Doug Phillips from the LST Region. Roxy has 33 total points of which 27 are first place points and is a 1x NSTRA Champion. She accumulated 30 region points and 1100 points for the Top Performance Award placing 11th at the 2022 DOY Trial, 10th during the LST Regional Elimination and 26th at the TOC 2023. Doug mentions that every dog in Roxy's litter has been amazing. Per Doug: Being that I was looking for my first trial dog, I was blessed to have Geoff Sterner searching for me and working with Mark Kohlberg to get Roxy to me as a 16 month old. We bonded immediately and I was able to trial her within three weeks. She immediately began placing, qualifying for her national entries right away. She has fantastic drive and has fun in the field. She needs one more point for her second championship and at three has plenty of time to play the game. Doug is a proud trialer with his amazing Roxy and congratulations to both Doug and Roxy.

Letter from the President

Finally fall is in the air, at least in Iowa. With lows in the forty's it is a welcome relief. The fall trial season has ramped up. With that comes high expectations and one must expect at least a few disappointments. I hope it is a good season one for all.

The Purina Endurance Classic just completed in Osceola with one of the largest final hour crowds that I have witnessed to watch Scott Townsend and Roger Parient battle it out. It was another great final that was not decided until the last few remaining minutes. Congratulations to the Purina Endurance Classic winner, Crosswind Jim- Owner/Handler Scott Townsend, first runner up Kickapoo Sioux Too- Owner/Handler Roger Parient, second runner up Tash's Southern Sue- Owner/Handler Sam Ashmore, and third runner up Runnin J Outlaw- Owner/Handler Tina Sterner.

Greg Blair, Sr. Specialist Breeder Enthusiast and Patrick Bowman, Brand Sponsorship Specialist spent a few days at the trial. NSTRA is fortunate to have these two companies as sponsors, and it was nice to have our members being able to interact with Greg and Patrick.

Kudos are also in order to the Purina Top Performance winner, Skipper's Smokin Ally-owner/handler Mikeal Mulberry, second Kickapoo Sioux's Wild Rose-owner/handler Roger Parient, third Cloud's Bayou Cash- owner/handler Jeremy Cloud, and fourth, True Blue's 105 Howitzer- owner/handler Jamie Laraway.

Keep in mind the Spring Trial Schedules are due by November 1st.

The office move has come with a few glitches. Some voicemails are not showing up immediately, sometimes taking as long as two days. The office staff has been working with comcast to correct the problem but it has not been fixed as of now. Please be patient and try to call again if they do not reply within 24 hours.

For those attending the Dog of the Year, don't hesitate to visit our new office located at 25 W. Marion Street, Danville, IN 46122 and meet the office staff, MaryAnn Routh and Lisa Hall.

"The best revenge is to be unlike him who performed the injury."

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:

To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely

manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

(continued on next page)

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

UNREGISTERED DOGS:

As of June 1st a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

Dalton Brooker

1. I heard about the organization from my fiancé's friend, and it appealed extremely interesting to wanna compete and better our dogs in the field.
2. My bird dogs are German Shorthaired Pointers (GSP's). I have worked with dogs for a few years in the waterfowl world, but on the upland side of things I've only had less than 2 years experience working upland bird dogs.
3. My fiancé, Mallory, and I both will be competing with both our GSP's, "Cassie" and "Riley." We will be getting her registered here soon to be a member.
4. We look forward to meeting others and hopefully start a group closer to home!

Trainin' Dogs with Rick Smith

The Command Lead

by Rick Smith & Sharon Potter

Originally published in the "Pointing Dog Journal"

Reprinted with permission.

Before we get started on its use, we'd like to offer you a brief history of the Command Lead. It was originally developed by Rick's father, Delmar Smith, and got its original name (the Wonder Lead) from another fine trainer, Ed Rader, who made the comment: "You'll wonder how you ever got along without it." The name stuck. As the Silent Command System grew and evolved into the current method, Rick renamed it the Command Lead to blend in better with the revised techniques.

No matter what you call it, it's an invaluable training tool. Used well, it can make a huge difference in training. Used poorly, and it's just a piece of rope. At first glance, it looks a lot like a "piggin' string" – a short length of stiff rope used in calf roping to tie up the legs on the calf. This is, in fact, where the Command Lead originated, but it needed a few changes to be really useful. The diameter of the rope as well as the stiffness was changed; a leather stopper was added to the very end, while a rubber stopper was placed on the rope to help keep a consistent size to the loop. A standard piggin' string is too stiff and springs open too wide, but the rope used in the Command Lead is specially made to have just the right amount of release. And it's the only lead we've found that actually allows you to push slack to the dog because of the stiffness of the rope.

Let's take a look at the parts. Starting from the loop that fits around the neck, the rope forming the loop slides through a small, knotted oval with rawhide wrapping. This loop is called a "hondo" and lets the rope slide easily and release quickly. Farther down the lead you'll see two stoppers – the rubber stopper is used in the early stages of training to keep the loop placed correctly on the dog's neck; the leather stopper stays at the tail end of the lead and is placed so the end of the lead won't slip through your fingers.

The lead is put on as follows: Open the loop so it's large enough to easily slide over the dog's head. The hondo should be placed on the side of the loop closest to the handler. To properly put the lead on the dog, it must be placed right up behind the skull and directly behind the ears. Once that's done, slide the rubber stopper down the lead until it is about two or three inches away from the hondo, with the lead being snug. This will give adequate room for the lead to release without it slipping over the dog's head. If the lead slips down the dog's neck instead of staying up behind the skull, the action of the rope is lessened and the dog can pull you.

On your end of the lead, a pair of gloves is a good idea. Hold the lead in a relaxed manner, with your thumb and forefinger forming a circle for the lead to slide through, and your other fingers gathered loosely around the lead. When you use the lead, close all your fingers as you move your hand and make a correction. Relax the fingers as you release. The slack is the most important part, and you want to have slack in the lead nearly 100 percent of the time.

In the initial stages of lead training, the dogs have three main defenses against complying. They'll try to drag you; then they'll stop and refuse to move; and then they try to push you.

A dog that pulls is sending a clear message that it is not happy about you setting the direction. Pulling ahead and/or cutting you off is easily corrected, but not the way you may think. While it is really easy to wrap the lead around your hand and yank the dog over backward, that is not a solution. If your dog is pulling, remember this: It can only pull if there is something to pull against. If you're not pulling, your dog can't pull.

So how do you stop this? Quite simply, don't pull. Let the dog make the mistake and get out in front, while you keep slack in the lead. And then make a 180-degree turn, giving a very sharp tug and release at the very second the dog reaches the end of the slack. That will spin the dog around in the direction you've chosen, and the release allows enough slack so the dog is encouraged to go with you since there's nothing to pull against once the dog is headed in your direction again. While this does give us the added benefit of teaching our dog to heel, it is not about heeling as much as it is about teaching the dog to pay attention and go with us.

To help the dog really pay attention to your direction, make turns and zigzags and circles, asking your dog to move with you and away from you. This is especially helpful if your dog wants to pull you, since it is harder to pull if you're constantly changing direction. If you're always walking in a straight line, this encourages pulling.

For example, let's say your dog is walking on your left side. If you turn sharply to the right, stimulate (tug-release) your dog with the lead as you do it, and your dog should turn with you. When turning to the left, you will be moving in toward your dog. In this situation, the dog must move over and give way to you. This is most easily accomplished by bumping the dog's shoulder with your leg as you turn into it. Be sure you're bumping the dog over rather than just pushing it around. If your dog learns that you will push it, it will not learn to move away from you and will instead learn to lean into you and wait for you to push it around.

When the dog realizes pulling on you isn't going to work, they'll resort to the next step: stopping you. Stopping looks like this: Instead of coming along with you, the dog plants all four feet, stays behind you, and refuses to move. This maneuver is their way of saying, I can't have my way, I'm not going. Often, the dog will lean back slightly as if daring you to try to make it go with you.

How do you get past this resistance? Again, the answer is much easier than you think. While it may seem appropriate to simply drag the dog along (and this can be done), it doesn't teach the dog anything except to be dragged. To get past the stopping behavior, move out in front of your dog and stand facing it. Keep the lead relaxed and slip the leather stopper at the very end between your second and third fingers, with the stopper in your palm. Be far enough in front of your dog that the lead is close to taut but not snug. You will use an "open-close" motion with your fingers, moving them toward your palm and then opening them. This sends a gentle tug-release stimulation to the dog. The entire motion from closing your fingers until opening them again should take one or two seconds, and should repeat steadily until the dog responds.

At first, a dog will usually lift its head slightly and lean back against this stimulation. The motion must be consistent, never harsh or rough. Don't be tempted to increase the pressure or yank on the lead – remember, that will only feed the resistance. Just be patient and keep up that easy tug-release-tug-release movement; after a few seconds, even the most stubborn dog will give in to it and come with you. As soon as you see any forward motion, turn as if you were going to have the dog at heel and start walking forward as if the stop had never occurred.

If pulling you doesn't work and stopping won't make you give up, the third and final resistance the dog will show is pushing you. This takes several forms, but they all have the same underlying meaning: If I can't drag you with me and I can't refuse to go with you, then I'm going to push you to go where I want to go. The most common and obvious form of pushing happens when the dog leans against your leg as it is walking beside you. The dog turning its head across your leg, trying to change your direction, can also accompany this type of pushing. Another form of pushing is jumping on you, whether it's from the front, side, or back.

If you're leading your dog and it leans into the side of your leg or places its paw on top of your foot (and this is never by accident), anticipate this and be ready to bump the dog at its shoulder to place it back in the correct position. Use the side of your leg, and be sure to actually bump the dog rather than just push it away. If you try to just shove the dog away, this sends a clear message to the dog that you are submissive to it.

When bumping the dog away from the side of your leg, be very aware of what your hand is doing with the lead. It is important to give the dog enough slack so it can move away when corrected. Often, people hold the lead too tightly and the dog gets a conflicting message. It is pushed away by the person's leg while inadvertently being corrected with a jerk on the neck by a too-tight lead when it tries to comply by moving away. If your dog exhibits pushing behavior by jumping on you, simply turn and walk right into and through your dog as if it weren't there. Don't worry about knocking the dog over or step-

ping on it, since the whole point of this exercise is to teach your dog to stay off you and not push.

Remember, we're talking "dog" language here, and human manners don't have any meaning to your dog. Some dogs will come around front to jump up and push you, while others will climb up your leg from behind. However your dog decides to try it, this must be stopped, and the best way to do it is to turn into the dog and walk right through it. Doing this makes it uncomfortable for your dog because it is likely to get stepped on or knocked over. In some cases, the dog will try to keep its paws up on you, and as you walk into it, the dog is forced to walk backward on two legs. If this happens, speed up your pace so the dog is very likely to lose its balance and put all four feet back on the ground. Walking on two legs backward is awkward for a dog, so it is much easier to push them off balance if you speed up and make it difficult.

Please keep in mind that throughout all these drills on the lead, we are not talking to our dogs! We aren't saying, "Here," or, "Come," or, "Heel." Adding the verbal cue before the dog has learned the behavior creates confusion. For example, if your dog is pulling on the lead and you're saying, "Heel," the dog is led to believe that heel means pull on the lead. Same goes for here or come. Don't name the behavior until the dog knows what you want.

While the Command Lead drills are important, it is also imperative that your dog get plenty of time to just be a dog. This means lots of walks out in woods and fields, turned loose, and these have to include birds. Building enthusiasm and prey drive is what makes a dog really love its job. If all the dog gets to do is drill repetitively on the yard work, you'll end up with a dominated dog that doesn't have the self confidence to do much of anything on its own and without your direction, much less hunt hard and find birds.

2023 NSTRA REGIONAL TRIAL ELIMINATIONS/FINALS

ALABAMA REGION

History has a way of repeating itself, and Mother Nature got us again. We were scheduled to start our Eliminations on Friday, March 3rd. Due to the threats of thunderstorms and high winds, we postponed to Saturday the 4th. Janice and Harold Hufstetler graciously allowed us the use of their trial grounds "Pineywoods Farm" in Bronwood, Ga. Some of our handlers were able to bring their campers to stay on the grounds and the motels for others, were just miles away. Having the clubhouse and bathrooms available, make it a great place to trial.

We were lucky to have Bodie Ray and Harold Hufstetler to judge for us. Keith Howard was our Bird planter. These 3 guys keep our braces moving and we were able to get 18 braces completed before dark.

The 4 dogs that placed and earned points in the Qualifying round of the Elimination were:

"Biddy" handler/ Bill Millians score 956.7

"Bo" handler/ Bill Minton score 888.3

"Belle" handler/ Larry Freeman score 827

Alex" handler/ Bill Millians score 737

From the 36 dogs that ran on Saturday, 16 advanced to round 2 Sunday. From those 16, here are the 6 that continued on to round 3.

"Ozzy" handler/ Larry Freeman score 308

"Kahn" handler/Ed Ford score 715

"Luke" handler/ Mike Markham score 484

"Scout" handler /Ray Harrelson score 254

"Bo" handler/Bill Minton score 482

"Liberty" handler/Chris Haynes score 314

As the winners," Luke" and "Kahn" were given their hour to rest, the winds picked up. To make matters worse, the farms surrounding "Pineywoods" were burning their fields, causing heavy smoke to fill the air.

The Alabama Region is proud to announce our 2023 Champion is "Kahn" handled by Ed Ford and owned by Brennan Greene. His score was 866.1.

"Luke" is our 1st Runner-up with a score of 623.5. Mike Markham handles and owns this 12 year-old. "Luke" has won his fair share of Regionals and was High- Point Dog 5 years in a roll. .

2nd Runner-up is "Bo" Bill Minton handler/ owner. His score was 482.

3rd Runner-up is "Liberty" Chris Haynes handler/owner. His score was 314.

Our Region catered the banquet from "Hogbones Restaurant. The meal consisted of Chicken and BBQ and all the fixins. Everyone really enjoyed their dinner.

Janice, our hostess, served us breakfast and lunch. This was another added convenience being at their farm. We are thankful

to her and Harold for allowing us to be there. Having the trial grounds and a clubhouse, all in one place, made it very convenient. .

After the banquet, we started our yearly meeting. Bradley Davidson was elected as our President again. He is always looking for ways to improve our Region. Our t-shirts are unique, because he designs the logo. Doug Markham was elected again as Vice-President. Members do not know the time he dedicates to keeping up with dog records in the computer. He supplies 4-wheelers almost every trial. Both Bradley and Doug are always there from start to finish in each trial. I will remain Secretary/Treasury for another year. As Field Marshal, I am blessed to have Susan Markham double check my scores, verify dog records, and add ideas to help keep our Region organized.

The main issue that was discussed in the meeting was a vote to increase the lunches from \$5 to \$8 because of the cost of food. We all were in agreement to the new increase.

Here are the awards Bradley presented to our members. High-point Dog was awarded To "Kahn". Ed Ford accepted this award. Bradley also mentioned Ed was considered the best-dressed handler in our Region. Brad Park's dog" J.J." was recognized as High-Point Amateur. (He is also the loudest dog in our Region)haha! Keith Padgett, our newest member, was voted Rookie of the Year. Keith is responsible for those great pictures on Face book. Judge of the Year was given to Walt Sanderson. He never misses a trial and loves his job. We are so blessed to have this man. He is a pleasure to be around with his upbeat attitude. As for Sportsmen of the year, it was unanimous. George Gordon was given a plaque and a small gift, along our appreciation. We use his trial grounds and he is always the first one there in the morning and last to leave. Our most improved dog was "Gypsy" AKA "Crazy Baby" owned by Doug Markham. Bradley gave Keith, Bodie and Harold a hooded sweatshirt for a gift.

Because of the generosity from Ray Harrelson donating his Calcutta money and an anonymous donor paying for 2 of the Silver Belt buckles, we had extra revenue to start out the season. To help with cost in each trial, Susan Freeman, Beth Davidson, Susan Markham and Cindy Markham furnished desserts and helped with the cooking. Thanks go out to our Trial Chairmen, Bill Millians, Larry Freeman, George Gordon and Al Black for all their hard work. These guys donated the profit from their trials back to our Region.

Duke and Lynn Blackburn hosted a 2 day trial on their new property. They furnished our officials lodging, fed them and hosted a shrimp boil Saturday night. Although we charged for the Shrimp Boil to reimburse Lynn and Duke for the cost, they, in turn, donated the money back to the Region.

Special thanks go out to Bill Sumpter, Bo Nutt, Mary and Lisa for all their help this season.

I feel we have one of the best Regions in N.S.T.R.A. Our membership has grown, and we have also acquired some new trial grounds. Come join our Alabama family. New members are always welcomed. See you in the fall.

Sunday dawned with perfect bird dog weather for the top 16 from the previous round to take the field. After 8 braces we were left with Kalem Dartez with Dixie, Bo Nutt with Murphy, Jeff Jackson with Pidge, Chad Prince with Butch and Jeremy Cloud with Buck and Gus vying for the top spot. Butch and Gus were the last two dogs standing after a close 3 braces. These two ran in a very competitive and hard-fought final hour with Gus ultimately taking the victory and being recognized as the Arkansas-Louisiana Regional Champion.

Again, congratulations to all who qualified for and ran in the Regional Elimination! Thanks to the North Arkansas Quail Club for hosting our event as well as a big thanks to Purina, Garmin and Dakota 283 for supplying dog food and prizes.

AZ Region held its annual Regional Trial @ Red Tank, Parks AZ on August 4th & 5th. There were 30 dogs drawn for the event. The weather was typical for this time of the year with the handlers typically running their dogs in T-shirts. Judges David Hackman & Kevin Creeden performed their duties expertly. Paula Aerts did an outstanding job as the bird planter as always and should get an award for all her additional efforts. CJ Veermak volunteered to Field Marshall the trial in which he did an outstanding job.

The top six dogs were as follows; 2023 Regional Champion Cactus Patches Buttercup “Butters” owner Pat Schobinger, 2023 RU Champion as well as the 2021 Regional Champion, Ima Cactus Peach “Peach” owner Bill Blose, 2nd RU Carnahan’s Double Purdey Annie Rose “Annie” owner Debbie Carnahan, 3rd RU Major Game on Bailey “Bailey” owner Rand Dombrowski, 4th RU Carnahan’s She’s Got the Mojo Jojo “Jojo” owner’s Brian & Debbie Carnahan, 5th RU Henson’s Desert Lucy Belle “Lucy” owner Jim Davies. The final hour run-off pitted Butters & Peach both finding birds with Butters out lasting Peach and winning with 5 finds to Peaches 3. Pat & Bill handled both dogs expertly and are close friends, so it made the runoff even more competitive. Butters and Pat had a great season and took 4th in the Region Hi-Point Championship as well.

The AZ Region annual banquet and meeting was held Saturday the 5th following the Regional. Awards were given and the Region Hi-point dogs were recognized. 2023 Hi-Point Dog Cactus Patch’s Chapo Loco “Chapo” owner CJ Hamilton, Chapo came on strong this year and despite CJ judging a significant number of trials he won the title, Great Job CJ. BIG SKY REGION (BSR)

The 2023 BSR championship was held in Three Forks, Montana, over memorial weekend with the Regional Pre-trial kicking off the weekend on Saturday, and the regional being run Sunday and finishing on Monday, Memorial Day.

After the Pre-trial Saturday night the group retired to the Manhattan Wildlife Association Gun Range and Clubhouse for awards for the Pre-trial. A quick but productive regional yearly meeting was held and new officers were elected followed by a fine meal and adult beverages before retiring for the night.

The trial was host to Samantha Hight and Frank Rowe from Northern California as judges, and Richie Hight as the birdplanter. The weather was as beautiful as it could get and the grounds were in perfect condition for springtime in western Montana and the field was full with 32 dogs for the Regional elimination, with 11 German Wirehairs, 8 GSP's, 8 Brittanys, 4 English Setters, and 1 Lewellyn Setter in the lineup for the first day.

Day one, Goodall's Rusty Little Bullet "Fly" Owned by Kristy Goodall and handled by Dean Goodall lead the field, followed by Silverbuckle Oh'aodhas Big Gage owned by Olivia Opre and handled by Rick Hughes. In 3 rd was SB Sweetgrass Sadie – owned and handled by Danny Seliger and 4 th Man 'A' Wars Beeline Bullet Chaser – again owned and handled by Danny Seliger.

Day two opened with another beautiful day and the battle ensued to get to the top 6 to advance to round 3. The top 6 dogs were leg by Gage and Rick Hughes, Beeline Bullet's Bossman, owned by Nolan Huffman and handled by JonEdwards, Kristy's Little Pants owned and handled by John Attard, 4th and 5th were the mother daughter team Fly – Goodall's Rusty Little Bullet and Bug – Goodall's First Bullet handled by Dean Goodall and followed was Rick Hughes and Oh'aodhas Murphy Ann Norton.

The final hour set with full siblings – many began reflecting on how all 8 brittanys in this field all trace back to Nolan Huffman's Buddy Dog (Nolan's Last Bullet 32x Ch) with 6 of them being directly tied to crosses between Donovan's 8x Ch "Louie" and Goodall's Bug... and Bug being one of them herself still running at the age of 10. The same could be said for the wirehairs as 7 were from the Silverbuckle line of Dave Heine and 3 from Oh'aodhas of Rick Hughes with several crosses between them.

The final hour started with a very somber moment in the blind, as with tears in her eyes, Darlene Donovan approached both Dean and John, running full siblings by their late 8x Ch Footluce Louie Little Pants out of Goodall's Bug dog... and asked to shake a few of Louie's ashes onto both dogs coats so that Louie could run one last time with two of his pups. Not a dry eye was found before the start of that brace and both handlers allowed part of the Donovan's legacy to continue to live on through his progeny that were in the final hour together.

At the start of the final hour Chubb jumped out to an early lead getting the gallery bird but Fly never slowed and picked up the middle and the two back birds. John then decided to jump over to the other field and scored a second bird to narrow the gap. Fly and Dean used this as a good opportunity to get a back and then the race was on to get back up the front of B field to score the remaining birds there. John and Chubb found one of those but Dean and Fly found 2. John scored a back and decided to head back to A field to pick up the last bird while Dean and Fly were able to score an extra bird and the gallery bird on B field too finish the day with 7-7/B

– 1211 score to Chubb 4-4/B 871 score.

Final top 6 dogs

- 1) Goodall's Rusty Little Bullet "Fly" – Full sibling to Chubb
- 2) Kristy's Little Pants "Chubb" – Full sibling to Fly
- 3) Beeline Bullet's Bossman "Bossman" ½ brother to Beeline Bullet's Oxidation - Bug's sire
- 4) Goodall's First Bullet "Bug" – Mother to Chubb & Fly
- 5) Oh'Aodhas Murphy Ann Norton "Murphy"
- 6) Silverbuckle Oh'aodhas Big Gage "Gage"

CENTRAL CANADA REGION (CC)

The year 2023 in our region ended on the last week-end of August, with the Regional Elimination, which took place on the splendid farm of Robert Pytel, NSTRA member for a long time. We were lucky to have 24 registered dogs competing for honors over two days, 4 rounds from which our regional winner will be crowned. The new open\novice competition format has greatly helped us to qualify new dogs and thus give new members the chance to experience the Regional for the first time.

The weather was perfect for the departure of the first dogs on Saturday morning, for Robert Pytel and Julius as well as Charlie Absi and Ruby. Conditions were very difficult as the field had been mowed recently and several dogs were having great difficulty locating the birds. For others, the experience of dogs and handlers made the difference and they were able to get out of the game.

After the first round, 12 dogs qualify for the next day and the placements for this first round are in order: Kickapoo's Samuel Adams of Etienne Lavoie, Peter Gunn's All-In Jazz of Guy Gelinas, DuPlaton Masi Verona of Sam D'Andrea handled by Dominic Fortin as well as Dominic Fortin's Kickapoo's Molly.

Round two continues on Sunday and a warmer and humid day awaits the dogs and handlers on this final day. In the second round, each pair of dogs strongly contested each bird as most pairs finished with a gap of less than 100 points. Watson's All-In Ranger of Guy Gelinas finished first in this round followed by Kickapoo's Samuel Adams of Etienne Lavoie. Four other dogs qualify for the next round.

During the third round, luck, the physical condition of the dogs (sometimes that of the handlers too...lolll), the experience of the dogs and the handlers made the difference. Julius of Robert Pytel finished first in this round with 730 points followed by Adams of Étienne with 565 who will be the duo for the one-hour final. Only 28 points separate second place from fourth place. Third place went to Hellraiser's Moneyshot Kobe by John Apostolis, fourth place to Ranger by Guy Gelinas, fifth place went to Molly by Dominic Fortin and sixth place went to Grouse Creek Rosie by Donald Thom.

The final round started with one bird each but quickly Adams took the lead. After half an hour of running in intense heat, Julius couldn't take it anymore and had to retire, thereby crowning Adams by Étienne Lavoie, the big winner of the 2023 regional. Congratulations to all the finalists and we are already looking forward to the 2024 season.

GEORGIA REGION (GA)

Georgia Region Championships
March 3-5, 2023
Griffin Bird Dog Club, Griffin, GA

Trial Chairman Jeff Keck, Field Marshal Bodie Ray, Judges Bobby Wheat and Mark Clore, and Bird Planter Gene (Gator Man) Pritchett had everything ready to go for us when the dog trailers arrived on Friday. Friday was a day devoted to practice runs, but nearly everyone ran the fields in the past. It was a beautiful sunny day with temps in the mid-50's and a light breeze. The weather held for the next day, too.

We lined up with 16 braces Saturday morning with perfect weather. Good dogs and great handlers made for spirited competition throughout the day. 1st Shiner/Chamberland, 2nd Dixie/Hiland, 3rd Brian/Smelser, 4th Morrow/George Sterner were the finishers on Saturday. Experienced dogs and handlers in the bunch. Tim Smelser (3rd place), however, is finishing his second year in NSTRA, and with his male Brit Briar, he's running well with the big boys. He amassed his own cheering section throughout the trial. It was fun to watch him.

We retired to the Southern Pit BBQ event center for our annual meeting, and elected Bob Stapleton-President, Adam Langley-VP, Eric Walker-Treasurer, and Tim Smelser-Secretary. We handed out a few awards, too.

GULF COAST TEXAS REGION (GCT)

The Gulf Coast Region held our Regional Elimination on the weekend of March 18 & 19, 2023. Usually, our regionals are hot with not much wind, but we were blessed to have winter weather as it was in the 50's on Saturday and 60-70's for Sunday with good breeze each day. This year we had 26 dogs competing for the regional title. Mike Brackin and Lulu returned to defend their win from last year as well as some other great dogs looking to get in that final hour brace on Sunday. Our trial officials were judges: Bill Sumpter and Todd Hendrix of the Midwest Region. The bird planter was the one and only Bo Markhum of the Mo-Kan Region, and our very own Scott Thomas served as our field marshal to keep the trial going.

With good weather and scenting the braces were well contested with most braces being split 3 to 2 with very few braces leaving extra birds. We broke for lunch around noon and had smoked brisket and chili, and it was looking like it might take 2 birds and a back to make the top 16 scores. At the end of the day there were a couple 2/2 advance with other 2/2 that did not advance. Our winners for the qualifying round were as follows:

1st—Lulu/Mike Brackin

2nd—Big'Un/Maggie Parsley

3rd—Luke/Bobby Clark

4th—Halley/(O)Scott Thomas(H)Joshua Martin

Saturday night we had our annual banquet and meeting, and we all need to give a big shout out to our President, Martin Ueltschey, who was able to get us a restaurant that closed the doors to the public and allowed us to be the only guests there that night. The food and atmosphere were fantastic. Martin presented awards to our Open High Point Winner – Brackin's Oklahoma Lulu / Mike Brackin. Amateur High Point Winner – Barr's High Country Tango / Ken Copeland. Derby Dog of The Year – Maggie's Big'Un/Maggie Parsley. Congratulations to our regional winners, you all deserved it! We then had our Calcutta to buy braces to pick the winner of our regional elimination. After everyone emptied their wallets for that, we then asked them to give us their credit cards to purchase our goods from the live auction. In total after the night, I believe the region was able to raise over \$3500 that will go towards more and better awards and gifts for next year. I need to thank my wife, Christine, for making baked goods and hand painted serving trays that went for way more than I thought they would, and I can't thank her enough for helping us out.

Sunday morning rolled around, and the trial just kept on going. From the top 16 we took the top 6 scores, and those dogs were as follows:

Clark's White Shadow/Bobby Clark

Wilson's Party Girl Is Finer Than Peach Brandy/Tad Brown

Crosswind's Mad Tinkerer / Martin Ueltschey

Three Oaks Comet/(O)Scott Thomas (H)Joshua Martin

TGR's Impressive Kingpin/Joshua Martin

Brackin's Oklahoma Lulu / Mike Brackin

After a short break the first brace in the top 6 was Bobby with Blanco and Martin with Tink. It was a contested brace as each dog was finding birds, but Blanco finished with a 3/3 and a score of 639.5. Tink finished with a 2/2 and a score of 434.

The second brace of the top 6 was Joshua with Halley and Tad with Brandy. Much like the first brace each dog had 2 and both handlers were racing to get to the 5th bird. In the end Joshua was able to handle Halley to it and they finished with a 3/3 and a score of 617.5 while Brandy finished with a 2/2 and a score of 438.5.

The third brace was reserved for the geriatric dogs. Joshua with Gus at 9.5 years old and Mike with Lulu at almost 10 years old. The dogs might have been old, but with age comes experience. Lulu won the Region High Point title and is defending her regional win from last year while Gus is bird finding, tracking machine. Gus finished with 3/3 on the card, having popped a 4th bird, and finished with a score of 494. Lulu couldn't find any and finished with a score of 146.

The final hour was set to run with Bobby and Blanco against Joshua and Halley. Bobby has been in many final hours in regionals and nationals. This was Joshua's first final hour to make. They were both in the blind waiting for Bo to finish planting the 10 birds. Bill and Todd told them to "bring them out" and "turn them loose". The race was on as both dogs were on the tract racing to the first bird. Blanco pointed and Halley backed. When Bobby flushed, he forgot to take his gun off safety and when he shot it was too late. Blanco was already chasing the bird; Bobby gave up on the retrieve and Joshua let Halley go and she proceeded to get back on the tract and pointed her first bird. Both Blanco and Halley were racing to a corner and Halley pointed first to get her 2nd bird. Both dogs then proceeded to go towards the front and Halley got her 3rd bird. Blanco went on to a different area and got his 2nd bird while Halley kept tracking and got her 4th bird. At this point Joshua was up 4/4 and back to 2/1 and a back, but it wasn't over yet. Blanco quickly found his 3rd, 4th, and 5th bird to go up. Joshua was thinking where he should go to find the 5th bird. Joshua and Bobby both took off to a corner and Halley found her 5th and "Championship" bird. Now there was still about 18 minutes left in the brace and both handlers just kept up with each other as both were thinking the same thing, that there were no more birds left as no one thought there were any left-over birds. With less than a minute left both dogs and handlers started to make their way up to the gallery when Halley went on point with 6 seconds left to finish with 6 birds.

Joshua ended up missing that bird, but she ran it down and brought it back to him as his extra minute expired. Who knows what would have happened if Bobby hadn't forgotten to take his gun off safety. Blanco had a great year as he finished Runner-Up in the Open High Point Standings and now Runner-Up in the Regional Elimination. Congrats Bobby and Blanco. Joshua was handling Halley for Scott and he was nervous about missing birds during the weekend that would cost her from moving on. He didn't miss any until that 6th bird which now it didn't matter. Congratulations to Scott, Joshua, and Halley. Halley is the 4th dog Scott has owned that has won the regional elimination and the 8th total time he has had a dog win! This was Joshua and Halley's first regional win. Joshua was just happy that his wife and kids were there to cheer him on.

The final results were as follows:

Regional Champion—Three Oaks Comet/(O)Scott Thomas(H)Joshua Martin

1st Runner-Up – Clark's White Shadow / Bobby Clark

2nd Runner-Up—TGR's Impressive Kingpin/Joshua Martin

3rd Runner-Up—Wilson's Party Grrlls Finer Than Peach Brandy/Tad Brown

4th Runner-Up—Crosswind's Mad Tinkerer/Martin Ueltschey

5th Runner-Up—Brackin's Oklahoma Lulu/Mike Brackin

We as a region want to thank Martin Ueltschey for chairing the trial, Scott Thomas for hosting the trial, and our trial officials who came a long way to judge and plant for us. Also thank you to our sponsors, Purina, Garmin, and Dakota 283 Kennels. We look forward to another good year and don't forget to check out our website and facebook page. www.gulfcoastnstra.org

ILLINOIS REGION (IL)

Illinois Regional Elimination April 1 & 2, 2023

The 2023 Illinois Regional Elimination was held April 1 & 2 at Spinner Farms near Hillsboro, Illinois. Storms rolled through the area the night before but luckily passed by before sunrise. Horrible winds stayed with us all day constantly blowing 25 miles per hour with gusts as high as 40mph. The sun did shine for about two hours and then more clouds rolled in giving pause of what could be heading our way. Fortunately, Mother Nature did not rain on us again and it stayed overcast for the remainder of the day.

Saturday, the competition started right on time with Thaddeus Thomas of the Michigan Region planting birds. Making quail stay put in super windy conditions is extremely difficult, however, Thaddeus was the man for the job.

Also from the Michigan Region, were our judges, Kara and Jamie Laraway. The Laraway's were excellent at making sure their scores were consistent with the work that was presented, and many compliments were echoed with their unbiased scores towards the dogs and handlers alike.

Saturday's placements were:

1st = R R Shadow's Revenge (Beau), Rick Bertinetti handler

2nd = Flat Branch Abel (Abel), Rick Bertinetti handler

3rd = Double R Liz (Liz), Herb Ralston handler

4th = Black Magic Spec (Spec), Curt Klaustermeier handler

After Saturday's trial we rendezvoused at Langham's Hunting Lodge for our banquet enjoying a catered meal of smoked ribs, fried chicken, and all the fixings. After the meal, the day's winners were presented their awards and Round 2 for Sunday's Top Twelve were drawn followed by a Calcutta.

Sunday brought less wind and warmer temperatures to get Round 2 started and the first six braces were off and running. As soon as Round 2 finished, we drew the Top 6 for Round 3 finishing in this order:

1st = Double R King (King), Brandon Ralston handler (809.33)

2nd = Kunza's Copper Casing (Casey), JB Kunza handler (712)

3rd = Black Magic Spec (Spec), Curt Klaustermeier handler (693.5)

4th = Hard Rockin Chico (Chico), Rick Bertinetti handler (559)

5th = Nikki Sue Ellie (Ellie), Mark Kohlberg handler (499.5)

6th = L'N'A's Bryar (Bryar), Walt Lehmann handler (223)

After an hour break, Double R King with handler Brandon Ralston and Kunza's Copper Casing with handler JB Kunza took the field for the Final Hour. Both dogs were harvesting birds as efficiently as any machine could harvest a crop. After twenty-two minutes in the field, King had scored 6/6 to Casey's 4/4. Both dogs put on a show with several finds in the 90's and one retrieve score of 99. It was late in the hour when King found two more birds and Casey landed a back, to make the final score:

Region Elimination Champion = King with 8 finds/8 retrieves = 1440

1st Runner Up = Casey with 4 finds/4 retrieves/back = 907.5

Congratulations Brandon and Herb Ralston for achieving consecutive regionals with King!

Once again, congratulations to:

1st Runner Up = Casey/JB Kunza

2nd Runner Up = Spec/Curt Klaustermeier

3rd Runner Up = Chico/Rick Bertinetti

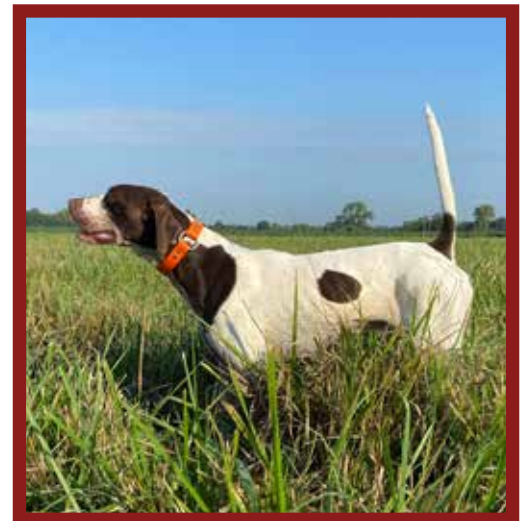

4th Runner Up = Ellie/Mark Kohlberg

5th Runner Up = Bryar/Walt Lehmann

And congratulations to all Region Elimination participants for your accomplishments during the qualifying period.

To say "Thank You" doesn't seem like enough for the job well done by Michigan Region members Thaddeus Townsend for planting birds, and judges Kara and Jamie Laraway, our President Ron Becker, Secretary, Mary Kay Kunza for being Trial Chairman and Field Marshal respectively. Thank you, Kevin Sprick and others, for pitching in with preparing breakfast and lunch both days, and those who brought their 4-wheelers, Ron Huels for donating the fuel, and to everyone who helped prep the fields, and your behind-the-scenes contributions. You are appreciated!

What transpired next was nothing less than amazing to watch as Jack and Clay traded blows back and forth. The entire final hour had spectators on the edge of their chairs waiting and wondering what would happen next as if watching some Alfred Hitchcock movie. There are so many thank you's that are owed to many people...

MID NORTH REGION (MN)

There was a full field of dogs at the new trial grounds in Ellendale ND. for the 2023 Mid North Regional elimination. This event was masterfully put together under the watchful eyes of Mid North president Cody Echavarria, and his field Marshall, Jason Norton.

Jason, and his wife Lana opened their home for 2 nights of meals and fellowship which is the highlight of the event. The fun of all being under one roof makes it a party. There also was a high point dog award given out this year, it went to Elden Miller and Jack. Congratulations for all the hard work.

This year the Mid North members and board donated to a great cause. Two of our members that are always supporting our region; Josh and Stacey Woodward had a devastating fire that took their kennel down. Luckily no one and no dogs were hurt. The Big sky region also made a different donation to them. There was a quilt raffle that was circulated that Darlene Donovan made. This was drawn for at our regional banquet.

You see, the Mid North region is not all about dogs and winning. It is about the people that support each other lovingly, win or lose. Being there for your fellow man and keeping the level of sportsmanship high. We should be proud of each other and help keep each other in check. Now to the results:

This year we had 2 astute and qualified judges to make sure that the best dog and handler won.

Mike Liane and Adam Dahlstrom took complete charge and the 2 days regional ran smoothly as it always does.

The field slimed down rather quickly, but all braces were very close most times winning by a back that made the difference in moving on. As we all know that means it was a great competitive field.

The final hour came quickly with two very great dogs and handlers moving on. Russ Nelson and Fred. Russ is not new, to being in that prestigious position as he was the 1st runner up in 2022 with his dog Stella. Russ's competition was a veteran team also, with Elden Miller and Jack. Jack did just win the 2023 high point award.

Elden has won many titles with his dogs, and it is always a pleasure to watch him work in the fields.

This year was a knock down drag out battle as both dogs were in their game finding birds for their teammates.

The grounds were about 75 acres, and the cover was exceptional. The score was close all the way through out the event.

Elden ended up on top with 5 birds to Russ's 4 birds. Elden, a quiet man and always a gracious winner, took home the coveted first place belt buckle. Congratulations to a fine team. Elden and Jack.

The first runner up was Russ Nelson and his dog Fred.

We cannot say enough about Russ Nelson. Russ is also quiet, a soft-spoken man out of the field, (in the field, fun to listen to). Russ has become a force to reckon with wherever He travels to for a trial. He is always in the hunt. We are so fortunate to have gentlemen like these two as the heart and soul of our region. They, along with all our members, are making the difference, separating the Mid North. Lead on Russ and Elden and all members of the Mid North region. Hopefully others will follow your example.

OHIO REGION (OH)

The Ohio Region held our 43rd Region Elimination Trial May 5-7, 2023 at the Silver Dollar Sportsmen's Club in Wooster Ohio. A different twist this year, we combined the All-Amateur Championship trial with the Region Elimination for three days of birddogs! We ran the spectrum of entrants with Jim Mahoney, our patriarch with over 35 years in NSTRA (and 4-time winner of our Region Elimination), to Dakota Main a member for only 4 months. Dakota and his GSP finished fourth runner-up in the All Amateur. It was a great three days, highlighted by our awards dinner where we celebrated members and their dogs' accomplishments, past and present.

SOUTHERN CALIFORNIA REGION (SC)

Southern California held our 2023 Regional May 6-7th under some of the mildest weather experienced in years. Our judges were Brian Rebello, and CJ Hamilton from the Arizona region supporting us for the 3rd year in a row. Mike Smith from Northern California was our Bird Planter, and Jenny Tomlin was our Marshall. On a side note, we can't begin to explain just how much Jenny does for this club every weekend. Jenny is a master in organization and truly keeps the weekend on track in so many different ways beyond the traditional duties of a Field Marshall.

It was exciting to see the 50/50 split between men and women in the final 6. One of the owners Charles Becker's dog Gillie handled by Eric Von Herzen was not only a new NSTRA member but also just qualified for the regional 2 weeks prior in the amateur event and ended up winning the regional. Charles is an absolutely excellent new member to our region and we're very excited he has joined NSTRA. Sarah Bullock was in the top 6 for the second year in a row now taking 2nd this year with Rikko. Sarah will be moving after this year and our region will deeply miss her and look forward to when she makes tripes back to run with us again. Lauren Prowse running in her first Regional just missed the final hour by 8.5 points and landed a respectable 3rd place with Diesel after switching this year from the Mid North Region to SoCal. Jordan Prowse took 4th place behind his sister, and let's say some of the pictures were entertaining displaying disbelief while looking over at his sister who beat him after he decisively won each of the other rounds.

Saturday night we had an excellent dinner cooked by Tim Wislocki and donated by the Tomlin Family. We would like to thank Tim and family coming through last minute due to some changes to plan to come through with this meal for us. It was excellent.

UTAH REGION (UT)

2023 Utah NSTRA Regional Elimination Trial

The time has come for another year of Utah NSTRA to come to a close, we would like to say THANK YOU!! It was a very interesting season with what felt like one of the longest winters most of us can remember. We had record snowfall in our state which presented some challenges for us along the way, all in all it turned out to be a very memorable season.

We had to say goodbye to several dogs in our region that passed away and moved on to greener pastures which is always hard to do. We gained several new members that would bring great handlers and dogs into our region and raise our level of competition. We are very grateful for the growth our region has experienced over the last several years.

Our regional elimination trial was planned for the 20th of May, 2023 in Newton, UT. It is an invitation only event where competitors have to qualify during the season by earning a placement. This year we would have 28 dogs qualify and do their very best to try and earn that coveted title of region champion for the season. The weather was going to be perfect and it would make for a great day of running dogs and spending time together as a NSTRA family.

Being an elimination trial we run a format of 14 braces where all 28 dogs compete. From there we have the top 6 scores move on to the next round where they run again in 3 more braces. The two highest scores from round 2 then move on to compete in a final hour run-off to crown our champion of the region for the season. It takes a lot of endurance to be able to run in tough conditions and run 3 different times throughout the day. It takes everything you have left in the tank to run in that final hour and be called the region champion. This year it would come down to Cade Allen and his Brittany Annie against Bret Wonnacott and his Setter Snaps. It would make an incredible final hour that was decided by 40 points, it was a joy to watch.

ROUND 1

We needed to get an early start on the day to run as many braces as we needed to complete the trial, we started at 6:00 am. We would run the 14 braces and the top 6 scores would be moving on to round 2.

Brace 12: Jared Haddock and his young dog Jersey have a great run where they found 3 birds, with excellent scores in the high 80's and 90's they would have a final score of 667. This score would be good enough for 6th place and they would move on to round 2.

Brace 7: Cade Allen and his dog Annie would make a great run finding 3 birds also, they were also able to have a back off their bracemate that would result in a final score of 714 and give them 5th place to move on to round 2.

Brace 13: Bret Wonnacott and Snaps were able to cover the field and locate 3 birds, they also were able to get lucky and get a back off their bracemate which resulted in a great score to finish in 4th place. Their final score for the round was 728.

Brace 13: Spencer Johnson and his dog Scout also ran in the 13th brace and were able to have a fantastic run where they found 4 birds in the field. Their final score for the round came out to be 758.5 and would give them 3rd place in round 1 and would be good enough to move on.

Brace 9: Quinn Inwards and his snappy dog Jade were able to have an exceptional run where they picked up 4 birds and received great scores. When the brace was over they came out of the field with a final score of 836 to take home a 2nd place finish.

Brace 6: Tracy Neilson and his young dog Weed had the run of the day in the early run by finding 4 birds and were able to collect a back off their bracemate. They tore up the field and finished their campaign with a final score of 909.83, so they would move on to the next round and finish in 1st place. Way to go Tracy and Weed.

Here are your top 6 with the top 3 pictured after round 1:

1st Place - Tracy Neilson/Weed
2nd Place - Quinn Inwards/Jade
3rd Place - Spencer Johnson/Scout
4th Place - Bret Wonnacott/Snaps

5th Place - Cade Allen/Annie
6th Place - Jared Haddock/Jersey

3 - Weed - Tracy Neilson

ROUND 2

After a quick break where we were able to clean the fields and complete the draw for the next round. The draw for the next round would be as follows:

- 1 - Scout - Spencer Johnson
- 1 - Annie - Cade Allen
- 2 - Snaps - Bret Wonnacott
- 2 - Jersey - Jared Haddock
- 3 - Jade - Quinn Inwards

Brace 1/Round 2: Cade Allen and Annie were able to have a heck of a run and find 4 birds, they were also lucky enough to get a back off their bracemate and that would help result in a final score of 875 and give them the second highest score of round 2 which would result in a place in the final hour championship.

Brace 2/Round 2: Bret Wonnacott and Snaps had an amazing run where they found 4 birds and received a back off of their bracemate. With great scores on the card they were able to have the best run in round 2 and put them into the final hour championship against Cade Allen and Annie.

ROUND 3
CHAMPIONSHIP

The final hour championship was set. It would be a showdown between Cade Allen and his Brittany Annie against Bret Wonnacott and his Setter Snaps. Snaps was lucky enough to be the region champion 2 years ago and so Cade knew he would need to give it everything that he and Annie had to complete the impossible. At this point in the trial both dogs and handlers are completely spent, mentally, physically, and emotionally. It would take everything they had left in the tank to make a run at the championship. As both dogs and handlers worked the field they would each locate birds. When it was all said and done and time had expired it would come down to scores to decide the winner. Bret and Snaps had found 4 birds as well as getting a back off of Annie. Cade and Annie would have 5 birds on the card but did not have an opportunity for a back in this final hour. As the scores were tallied it was decided that Cade and Annie had 40 more points than Bret and Snaps which would make them the new champions of the Utah Region of NSTRA. Everyone in the gallery was congratulating Cade and Bret on an amazing final hour brace. It was a blast to watch and see such great dog work throughout the brace.

We as a region would like to congratulate Cade Allen and his dog Annie as the new Champions of the Utah Region of NSTRA, it could not happen to a more deserving, more humbling person. Way to go Cade and Annie!!!

THANK YOU!!

We would like to thank everyone in our region for another great season. We appreciate everyone that took the time to judge, marshal, bird plant, setup, take down, trial chairs, and so on. We could go on and on about all the people that work so tirelessly behind the scenes to make these trials happen. We simply want to say "THANK YOU"

We have elections coming up so we would like to ask our members to please think of qualified individuals that would carry on the great tradition of the Utah Region of NSTRA.

Look for information soon! Thanks and we look forward to a great future for our region.

It was certainly a proud moment for Dad either way it would have gone.

WEST TEXAS/OKLAHOMA REGION (WTO)

The West Texas Oklahoma Regional Elimination Championship was held April 1-2, 2023, at the Roberts Royal Kennels in Seminole, TX. The weather on Saturday was perfect with warmer windier conditions on Sunday.

Twenty-Eight dogs were drawn for this 2nd WTO regional event. Judges Cray String and Timmy String joined us all the way from Arkansas and bird Handler extraordinaire Bo Marcum from Kansas were on the field and ready for the trial to begin at 7:30. As always Field Marshall Brenda Barr had the handlers in the blind ready for the competition to begin.

The morning braces and cooler temperatures were a recipe for some nice and plentiful bird work. However, as the day moved along the wind picked up and temperatures eventually rose to the 90's making the scenting more difficult.

At the end of the day on Saturday, the top scoring 16 dogs would advance to Sunday morning for the next round of qualification. After all the qualifying runs two dogs remained in the hunt for the Title of Regional Champion. Those dogs were 4-RS Royal Raider owned and handled Dale Roberts and Barr's High Country Gypsy owned and handled by Wes Barr.

Due to the Sunday afternoon heat, Wes and Dale chose to wait most of the full hour before beginning the finals. During the waiting period the fields were cleaned thoroughly, and the judges got to cool off and relax.

The hour final started right between the two fields that had been opened up and cleaned for the final run.

After a grueling hour in the West Texas heat 4-RS Royal Raider prevailed as Regional Champion. Congratulations Dale and Raider on a great run.

43 Bucks (\$43)

by: Randy Schultz, Travelling Bird Hunter

The Ring-necked Pheasant is a noble bird. In 1881 at Port Townsend, OR, birds were imported from China, by Owen N. Denny, and releases were made that year and subsequent years in the Willamette Valley and along the Columbia River. Laws were passed to prohibit harvesting them until they sustained a huntable population, and by 1892, in Oregon, the first "Opener" reportedly bagged 50,000 birds. Black-Necked pheasant, from England, were introduced as far back at the late 1700's, in the eastern states, but were not successful. Interestingly, it's said the Iowa population originated in 1900 from an escape of several thousand birds from a game farm. Today, South Dakota is arguably the epicenter of pheasant hunting, with millions of the birds, or at least they have a better PR department.

For many years, I would travel to North Dakota to hunt pheasant. A lack of posted signs, hunters, and plenty of squawking roosters always made the trip fun. Over the years, I made friends with numerous farmers, particularly Leroy and Barb. One cool, early November day, I was chatting with Barb, before heading out to walk the tree rows and ditches on their property. She mentioned the neighbor's property that we could hunt that day, as well. Thankful, we departed for some new hunting land.

We were within sight of Barb and Leroy's house as we walked along a marshy creek into the tree lines around the neighbor's abandoned house. The birds were there, and it was a fun time watching the dogs, Ruby, Cap, and Bo, as they worked the tall grass and cut wheat. After an hour or so, we stopped for a drink and a sandwich. I called the dogs in, and we sat on the side of the road enjoying the day.

Ruby and Cap in the grass

"Hey, what are you guys doing?" yelled a man walking down the two track. Never a good opening to a conversation, I knew it was time to sort out a misunderstanding. But, first I had to find out what the problem was. "We're hunting pheasant with our dogs. I hope our shooting hasn't disturbed you!" I said. (I glanced at the next farmhouse a half mile away.) "Well, you are on private land. My land. You are trespassing! I lease this land to hunters, and here you are shooting my birds! Who said you could hunt here? I should call the Sheriff!" he yelled. Since this was pre-GPS, my policy was to grab my map, start with the truth and stick to it. "Well, sir, I thought this was part of the Johnson property, and I have permission to hunt it. But, if I made a mistake and got turned around, I apologize, and I'll head out of here right away! I'm from Georgia and sometimes these wide-open spaces can get me turned around. Could you show me on the map I have here where we are and where your lines are, so I don't have this issue again?" I said. "What about the birds you killed?" he said. I noticed the volume decreased somewhat. "Well, if you show me I'm on your land, you can have them, or I'll pay you for them. They would be your birds," I suggested. "I get \$50/per day to hunt on my land" he said. I noticed my suggestion of

him showing me my location on a map never came up again. "How about I pay you for these birds, then, and we will leave the area?" I said. I reached into my pocket and pulled out \$43.

"This is all I have on me, \$43. Will that be enough?" He allowed as that would be OK, so I thanked him for his consideration, called the dogs, and turned around to leave.

Just then, a human tornado rocketed past me headed for the neighbor. "What in God's name are you doing, Earl? This ain't your land, and you know it! This man has permission to be here, from me, and here you are taking his money!" said Leroy's voice, while steadily advancing towards his neighbor. Being the forgotten man in this conversation, I listened closely and kept my mouth shut. "By George, you give that money back, or I will whip your ass right here! You're a sorry neighbor, and I feed your cows all winter, so they don't starve to death. I'm ready to give you what you need right here!" Leroy growled. Earl pulled the \$43 from his pocket, stepped around Leroy, by a large margin, and quick-trotted over to me holding the money in his outstretched hand. "Here's your money" he said. His eyes opened wide when I said, "No, that's for the birds I shot you said were yours. I won't take it back." Earl went white as a sheet. Leroy yelled, "You'd better hand it to him right now, Earl! I've had it with you!" Leroy is not a large man, but right then he looked 7' tall and imposing. He was becoming more enraged all the time.

I figured out, at this point, that Earl was sort of an opportunist. I wasn't on his land, but he saw a way to take a few bucks off the flat-lander. Normally, it would work, but he didn't reckon with Leroy. And my refusal to take the money back had him in a real pickle. I also realized that I wasn't the issue. This confrontation went back many frustrating years between neighbors.

Finally, I said, "Earl, I'll take the money back. Leroy, I'm sorry I came between neighbors. I won't hunt here again. I'll take my dogs and leave." Earl couldn't get the money in my hand fast enough. His relief was obvious as he turned and (almost) ran away.

It was then I learned about the years the neighboring farms took care of Earl's livestock all winter to keep them alive, and other things, as well. The situation reinforced a lesson about ensuring I was on the right land. (I was.) I learned that no matter where you are, someone is watching you. I learned no matter how far apart the houses, neighbors know each other's business. And, I learned about how large a short North Dakota farmer can get when he's full of righteous indignation and keeps on coming.

God Bless the American farmer.
