Letter from the President

WOW - -I just returned home from the Trial of Champions and Amateur Trial of Champions. The Conservation Bird Dog Club has been the venue of champions - -dogs and people - -since NSTRA began. Two years after we had to cancel the trials because of the Covid-19 pandemic, we finally kicked off and hosted not one championship but TWO championships simultaneously!

The legacy of building out an Amateur Program from bottom to top is fulfilled. Thank you to those who created the framework to support this vision. Throughout the week, there was a constant buzz and excitement surrounding Amateur Trial Champions. Tucked down in the hollow on the "C" field at Amo, this new event and beat-your-bracemate-format drew spectators in such crowds that the CBDC management recognized a need to expand parking! Several new handlers along with veterans were in the mix of dashing dogs and fast flying quail - -Everyone enjoyed the experience.

Saturday April 30, 2022 was a historic day for National Shoot to Retrieve. For the first time ever, a husband and wife each ran dogs on separate fields on the same day, and each won a national championship. Congratulations to Jamie Laraway and "True Blue's 105 Howitzer" for winning the TRIAL OF CHAMPIONS and Congratulations to Kara Laraway and "True Blue's Crosswinded Jolene" for winning the Amateur Trial of Champions! Howie and Jolene really put on a show all week. Way to go to a wonderful young couple from the Michigan region.

NSTRA could not have the quality of National and Regional Trials without the support of our Sponsors, Purina, Garmin, United Kennel Club, Pheasants Forever, Dakota 283, Red Haw Supply, Dogs Unlimited, and Moore Etc. THANK YOU!

In other news, National Secretary Nance Ceccarelli and National Rule Committee Chair Mark Kohlberg have undertaken the behemoth job of updating, correcting, and editing the NSTRA Rule Book, Judging Guidelines, Judging Exam, and Region President's Packet. If you have suggestions, contributions, and corrections to offer, please contact them. If you have a rule change that you desire, please review Section 7 for the procedures required in order to submit a rule change.

The National Officers received a couple of applications (bids) to host the 2023 & 2024 Quail Forever Trial. Both bidding regions offered wonderful opportunities and the very close decision to award the trial to South Carolina (Seneca) was based in part on financial considerations that favored SCR.

The National Officers are now accepting applications/bids for the 2023 & 2024 UKC Performance Trial as well as the 2023 & 2024 Purina Endurance Classic Trial. Completed application are due in the NSTRA office by September 15, 2022.

Finally, the growth and development in and around Plainfield continues in earnest. NSTRA will lose their office building at some point - -we don't know exactly when. We do know that the possible revenue from the sale of our building to the City will not yield sufficient funds to purchase a property again in the immediate area. The National Board of Directors approved sending another ballot to all eligible voting members with proposed language amending our Constitution and thus allowing NSTRA to move its physical office outside the city limits of Plainfield IN. We encourage all of you to vote in favor of this necessary change.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

QUAIL FOREVER, formerly known as Quail Invitational. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

UKC PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September.

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:
To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the

beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the national office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1.. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members’ spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

Interview with a Winner

By: Marilyn Cunningham

This month, I caught up with Mark Clore, the winner of the 2022 Quail Forever Championship.

1. How did you get started in NSTRA

Answer: I was running in a different organization and would hear the competitors talk about the bloodlines of their dogs. "This one is out of a 5x NSTRA champion." "I drove 800 miles to pick up this one from a 10x NSTRA champion" I thought to myself "if this is what it takes to get a good dog why am I not running in NSTRA?" So I looked up NSTRA and found they were having a trial 15 mins from my house. I visited a few trials, met some great people and was hooked.

2. What was the name of your first dog and did you raise it yourself?

Answer: I had many dogs as a child that I still hold close with great memories but my first bird dog was "Ellie" a gun shy GSP with happy feet and a big heart. She wasn't field trial material but was the dog that peaked my interest in bird dogs and field trials. I owe the beginnings of this crazy ride to her.

3. Did you train Gracie yourself?

Answer: It takes a village to train Gracie. LOL. Brenda Roe whose puppy program I highly recommend got her started for me. Then I did a lot of yard work with her, then Terry Taylor worked her for me to help fix some issues. Billy Moore tuned her up prior to last season where she led all of NSTRA in weekend points. Anyone who remembers Gracie as a new pup to NSTRA remembers the 5-6 bird runs she would consistently have. The problem was 1 bird would come off A field, 2 birds off B field and the rest would come from the woods. As frustrating as it was she was finding birds and finding them quickly so we just kept working at it. I greatly appreciate everyone who had a hand in helping her to get to where she is.

4. How did you prepare for the Quail Forever Trial?

Answer: I was very frustrated with Gracie's performance in the 2021 National Trials. She racked up 60+ weekend points in 2021 but had trouble stringing 5-6 good runs in a row which of course is what you have to have to get through a Saturday in a National trial. This season I stopped running weekend trials so aggressively, I stopped counting points and concentrated on just winning braces instead of winning the whole trial. It was hard to do. I was seeing 1st and 2nd on the weekends turn to 5ths and 6ths but the consistency started to show. We didn't have many braces where we just lost our minds.

5. Did you do anything different for the QF than you did for the weekend runs?

Answer: As I mentioned earlier I stopped running every weekend brace so aggressively. Then when it came time to have to make big cuts in the QF I could ask her for more and be more aggressive when I had to, instead of running every brace wide open. She responded really well to that.

6. Which was the toughest brace during the week at the QF?

Answer: It felt like the computer hated us. We ran against names like Little, Lovoie, Goodall, Mulberry, Heaton, Nutt. Pick anyone of those 6 and it was like being in a knife fight.

7. When did you think you had a chance at winning the championship?

Answer: Honestly it wasn't until her 6th bird in the final hour. I didn't know how many Bo had but at that point I knew it would take 2 extras. Dang if he didn't dig out an extra to make it go to the cards with his 5 and a back. So I didn't believe it until the scores were announced.

8. Who has helped/influenced you the most in NSTRA?

Answer: I thought a long time about this question. I kept thinking of names like Gene Pritchett who made me feel welcome from day 1 while helping me get my first placement. Linda Lowe & Terry Taylor strangers who came to congratulate me after my first NSTRA win at Seneca with a big brown Shorthair. There are many, many names who have helped/influenced me since I've started but none other than that big brown shorthair named Rigby. Rigby wasn't the biggest runner in the field but had a huge nose and handled like he had power steering. I learned to navigate the fields by following him around. We learned ways to get in front even when we didn't have enough motor. His success would be much greater if he wasn't handicapped by a rookie handler. We left this year's TOC in a hurry because Rigby took a turn for the worse and we had to say our goodbyes on 5/1 the day after TOC.

It is true that dogs teach us way more than we ever teach them and if you follow them they will take you to way more than just birds. I've followed Rigby to chase birds and he took me to many Midwest towns that I didn't know existed where we have made life long friends. I followed him to NSTRA where we've met so many people that feel like our extended family. As I look through my phone the majority of my contacts are because I followed that dog. This whole time I thought we were just hunting birds I guess he knew better. While I celebrate Gracie's success I have to give a nod to the dog that influenced us both...Rigby you are missed.

9. What would you tell a new handler is the best way to prepare for a championship trial?

Answer: Judge, judge and judge some more. You get 16 braces of experience a day. You see what handlers do right, you see what they do wrong and you see what level you and your dog need to be to consistently win.

10. What is your favorite memory from the 2022 QI?

Answer: That is a tough question. Looking back there are memorable times in each brace where you realize that you just got lucky or dodged a bullet and will advance. However, the most memorable moments were the first few seconds after the judge yells "Time" at the end of the hour and I had a chance to get down and spend some time celebrating with just me and Gracie thanking her for one heck of a weekend. It's a moment that you do not want to end. Also meeting Bo Nutt and Gauge in the field to congratulate them, the applause the gallery gave all 4 of us walking off the field is something that I will always remember. If you've never stayed for the end of a big trial do it one time. Your presence means a lot to the people competing. Then comes the flood of texts, phone calls, Facebook messages they all are very special and allow you to replay the day over and over.

A “Bo” Story

In the years before 2017, Shadow Oak Bo pups were quite an item. People were buying and breeding and paying big bucks for the name. A lot of outstanding dogs have come from that bloodline and it will be around for some time. My friend and confidante, Wess Halman, wanted a “Bo” pup badly. He had tried to buy one from Bill Moore, a well known NSTRA trialer, and the producer of many champion dogs. Bill had encountered some problems producing a litter but Wess was undaunted and finally he got what he wanted. Jan 14, 2017 Bo was born. His Mom was Tricky Dick Jill 2. She was one of Bill’s fine females.

Wess was finally able to get his pup. In the spring of 2017, I received a phone call from Wes in which he told me that he had been diagnosed with cancer of the liver. My heart sank as he told me he was going to have to get rid of his dogs. He wanted me to have the Bo pup. I knew how much Bo meant to Wess. I sadly accepted hoping maybe Wess would get better and I could give him back at some point but that was never to be.

Mr. Ed Boyette, a well known dog trader, very kindly agreed to find homes for Wess’s dogs. I never met Mr. Boyette but I will always say he’s a fine gentleman. He had many dealings with Wess through the years buying from and selling to and just swapping and he placed all of Wess’s dogs in shooting preserves and with individuals and gave Wess all the proceeds, refusing to take any compensation. This was no small endeavor since Wess had over 30 dogs when he fell ill. Ed traveled into south Georgia and I believe Florida as well as Alabama selling and placing Wess’s dogs.

I had been trying to visit Wess periodically as time went by for I knew his time was getting close. He had told me to bring a dog crate on my next visit to take Bo home. As my friend, Ray Harper and I rode to Wess’s home, I told

Ray that we wouldn’t mention the pup in case Wess had second thoughts. When we walked in his door, the first thing he said was, “Did you bring that dog crate? If you didn’t, there’s one on the front porch.” I knew that when I left, Bo was going too. So there it was, I was committed. Wess Hallman was one of the people I most admired in my life. Wess became a pastor in mid life but he went at it hard enough to make up for lost time. He was one of the toughest individuals I met and I have met a few. He’d had prostate cancer and a pretty bad stroke and was still chasing bird dogs and loving every minute. Wess had a pest control company which he ran till he retired. He had retired wanting two things: 1 to pastor his church and 2 to run bird dogs. I am very appreciative of the times we had together.

I raised and trained Bo and found him to be a very determined and hard headed Setter. He had all the prey drive and strength and endurance it takes to be a champ. He also wanted birds very badly. He is what you call an “edge dog”. This means he’s always on the edge of getting thrown out of the trial. He is good as or better than any dog I’ve had and that’s quite a few. Bo has also been thrown out more than all my other dogs put together. Slowly, he’s coming around and improving his attitude. March of this year, he put it together. First brace in our regional, he had the judges calling to get a bye dog ready, but then he started putting things together and the next day, he just kept getting better. I would be lying if I said we didn’t have a little luck but we did and Bo won the Championship that day. I’ll just end by saying I know Wess was looking down and smiling!

Respectfully submitted,
Bill Minton AL.Region

PHEASANT FEST

Quail Forever provided NSTRA a booth at the National Pheasant Fest & Quail Classic in Omaha, NE. Officials were pleased with the show as it drew 21,939 attendees, during the three-day event. The nation's largest gathering of upland hunters and conservationists raised critical funds and awareness for habitat and access in The Cornhusker State for the first time since 2011. The NSTRA booth had several individuals who were extremely interested we look forward to seeing them in the future. Paige Hendrix, Katie Jolliff, Terry Ward, Kevin Stonehouse, Todd Hendrix and Bill Sumpter worked the booth. NSTRA sponsors Purina and Dakota 283 had a presence at the show

APRIL FOOLS' DAY TRIAL

UTAH

April 2, 2022

The Utah Region of NSTRA gathered for another great trial at one of our favorite locations in Rush Valley, UT at Royal Creek Ranches. It was going to be 2 days of running dogs with great people. Well almost "APRIL FOOLS" everyone we forgot to tell you that half the birds died, and it was really going to be a one-day trial. We had a bird catastrophe happen and unfortunately, we were going to have to adjust the trial and make the best of it. We would like to thank everyone for being patient and willing to adjust to just the one day. Sometimes things happen and the birds decide to not cooperate, oh well we marched on and had an incredible trial with incredible people and dogs. We appreciate Royal Creek Ranches and Chad Hymas for allowing us to trial on their grounds, it is a wonderful venue and we have enjoyed several years of trialing on this property.

As light starting to peek over the Oquirrh mountains to the east we were set for a fantastic day of running dogs, the weather was set to make for a perfect day. In the early morning light members started to make their way up the dirt road to the trial grounds, everything had the making of a perfect day to trial. First brace dogs and handlers were in the blind ready to go, the fields were planted and away we went, the trial was underway.

A FIELD

The A field would be judged by Bret Ure and Lance Hansen, we are grateful for their time and willingness to judge. In the fourth brace of the day, we would have Ryley Johnson and his young shorthair Sox have a great run. They would find 4 birds in the field and have a run of 4/3 that would give them a final score of 705 and secure them a 3rd place finish. Sox is currently leading the high point standings for the season, keep it up Ryley and Sox. In the first brace of the day Joel Cartwright and his awesome dog Knox would have a great run finding 4 birds and going 4/3, this would give them a score of 718 and help them finish in 2nd place. This would be their second placement of the season, congrats on a great showing. The run of the day would happen in the 12th brace where Jared Haddock and Boone would tear up the field finding 4 birds. With excellent scores on the card this would prove to be the difference in giving them the first-place finish. Congrats to Jared and Boone, this puts them just a few points away from a 2X championship, I am sure they will get there soon.

B FIELD

The B field would be judged by Josh Morris and Barratt Gorshe, thank you so much for helping and judging. In brace 8 on the day, we would have Rich Lowe and his flashy setter "Flash" make a statement by finding 3 birds. With great scores on finds and retrieves averaging 85-90 it would help them secure a 3rd place finish with a final score of 678.5, great work Rich and Flash. In brace 5 we would have Ernie Wakabayashi and his incredible little bird finding machine Fisher have a great run. They would be able to find 4 birds and go 4/3 for a final score of 707 giving them their second placement on the season and a second-place finish, way to go! But the run of the day would happen in the very last brace on the day. Ryley Johnson and Rip would do an incredible job of finding birds in the dry dusty conditions. They would find 4 birds and receive great scores; they were also able to have a back off their bracemate which would prove to be the difference in their final score. They would finish with a score of 895.66 putting them in first place, nice work Ryley and Rip.

We would like to thank everyone for your continued support for our region, it has been an incredible year so far. We now look forward to our biggest and most exciting trial in Best of the West, get those dogs tuned up as we will be going up against some of the best competition in the west. Thanks to all of those that worked so hard to make this trial happen, Ryan Taylor, Angie Wonnacott, Bret Ure, Josh Morris, Barratt Gorshe, Rich Lowe, and many others. We apologize about the bird situation but appreciate everyone's willingness and patience to adjust the trial.

We look forward to the next one, see you in 3 weeks! Utah Region Presidency and Board

SAGEBRUSH SHOOTOUT

New member Donaye Smith in Espanola WA

What a great weekend to chair my first trial; an easy breeze blew across blue skies and set up a nice 40-degree temperature to run pointing dogs. Located in the City of Medical Lake, there exists the Espanola - leased ground that is home to the Spokane Bird Dog Club and the site for premiere retriever and pointing dog training. Long ago, Espanola hosted NSTRA trials; the last one held by Davy Caven in 2009. It was an honor to bring this trial back to its formal glory. Seeing pointing dogs and a shoot to retrieve score board amongst the sagebrush and bunch grass was a sight to see.

We call this trial "Sagebrush Shootout" for a reason. Tall, strong sagebrush, downed trees, rocky river runs, and open space exist...you have great visibility and steady dogs on point 20 feet in front of you for an easily flushed bird or you may take a third of your brace trying to work one quail out of one bush or you may catch a fleeting glimpse a flushed bird coming out of the low canopy in between trees and rocks. With sagebrush everywhere and hills, knolls, and mini meadows of bunch grass, Field A was a sure favorite. It gave a nostalgic feel of wild bird hunting and a great challenge finding birds; and what a fantastic proving ground to see how well your dog's training and your handling skills were honed.

Field B was a little bigger with much greater terrain obstacles such as bluffs and plateaus full of rocks and trees, along with magnificent meadows of grass. Deceiving at times, wondering if you are following the bird planting pattern of four corners and a middle bird. It was a field you could end up working one side of and not realize that you skipped or passed up parts of the field subconsciously avoiding going into more difficult nooks and crannies - perhaps hoping or believing that a bird planter most likely would have passed those up. Easy to walk; but also easy to quickly lose a dog in the terrain or suddenly find yourself flirting with the out-of-bounds flags without a moment's notice.

The Tennessee Red quail that I decided to buy for my trial were true flyers. Left over breeders from the previous year, these birds were healthy, and strong and super charged as they rocketed through the air. We heard nothing but compliments again and again for "the best birds we have ever seen"! It made for an amazing trial in which handlers needed a quick eye and a "sure shot" shotgun mounted to a shoulder.

My primary Field Marshal was long time NSTRA member Davy Caven. This was a true honor. Davy Caven is a legend and has contributed to the successes of the Spokane Bird Dog Club, NSTRA, and to this trial in earlier years. Davy rode herd on both the A and B fields while helped by Laura McMahon and Mike Ouchida - along with many others.

Day 1

No hiccups thank goodness, and Saturday's trial started on time. For me, the "new kid on the block", it felt like I was the chief of a Broadway show production crew making sure everyone was in their places for the show to start. The first brace was a tough one. Trialers battled fog and a light rain. As the sun rose into the sky, the curtain lifted on a beautiful day and great weather. Not quite two full years in NSTRA yet, I put a lot of pressure on myself to make sure that this was a success. My new-found NSTRA "family" in the NW and Big Sky regions ensured that this trial became a reality. I was thrilled that in the A-Field my setter, STONECOLD TO LAMRON (Fame), earned an Open first place, followed by Jerry Youmans' English Setter SHADOW BO'S BEACH BOY (Red) in second place, and Mike Smith's Brittany BLAZEN SUNRISE ROWDY BUSTER (Buster) in third place. Amateur placements shone upon three newcomers: RIPSNOTER'S SHOOT AND MISS (Noonan-PDP), owned by Darryl Pernat would take first, BONE POINT'S ICARUS (Tito-GWP), owned by Josh Wolff and handled by Ryan Fortier would take second place, and ROCKIN ELHEW HAWK(Hawk-EP), owned by Meki Porter would take third place.

In the B-Field, another newcomer, Darryl Pernat, really shot it up with his GSP SADDLEROCK'S PAINT IT BLACK (Jaegar), earning both the Open and Amateur first placements and with his Pudelpointer RIPSNOTER'S SHOOT AND MISS (Noonan), earning both the Open and Amateur second placements. These two dogs left just a little room for BD MAC MILLER (Junior-EP), owned by Bryon Davis, and RUN TRUE PATRIOT (Rio-ES), owned by Paul McCawley.

Day 2

"Championship Sunday" as I'm used to calling it from my Bull riding career, started on time and had an energy to it that most find on a Saturday but not necessarily on Sunday. A few might have felt a little sluggish after a great ZEEKS pizza and beer dinner award ceremony the evening before, but you really couldn't tell as all seemed ready to make it happen with their dogs for day 2. We kicked off the first braces a little early and it seemed as if the handlers now had a better grip on the fields. As another day dawned with such great weather I was really blessed to not have to deal with rain or snow this time of year in Spokane.

In Field A results: Dan McMahon and ADVENTURE N MCMAHON'S WILD BILL KODY (Kody-GSP) would take the Open first in the field. Rob Proctor and PROCTOR'S ABSOLUTE KELLI (Kelli-ES) would come in second, and BONE POINT'S ICARUS (Tito-GWP), owned by Josh Wolff and handled by Ryan Fortier was third. Tito also earned first in the amateur division, followed by Darryl Pernat and Noonan, and BO GATES TENNESSEE JAZZ (Jazzy-ES), owned by L. Paul Schneider earned third place.

In Field B, no strangers to the winning circle SOUTHWIND RAIN BO (Rain-ES) and Mike Stotts would take first place after finding 7 birds and posting a score of 1073 points. And, quickly becoming "placement regulars" for the weekend were Ryan Fortier and Tito (2nd in Open and 1st in Amateur), along with Darryl Pernat and Noonan (3rd in Open and 2nd in Amateur). ARNIE'S LIL HARLEY (Harli-ES) owned by Nance Ceccarelli earned a third place.

I appreciate all who were involved: all the volunteers, the judges, the field marshals, the donors, sponsors, and spectators for making my first trial not only a success, but a memorable one at that.

Proposed Amendment to the NSTRA Constitution and By-Laws

The National Officers brought forward a proposed amendment to the NSTRA Constitution and By-Laws to the National Board of Directors at the 2021 and 2022 semi-annual meetings held in April during the Trial of Champions National Trials. This is an amendment to Article VII, "Headquarters" that currently requires that NSTRA's national office be located in Plainfield IN. The purpose of the amendment is to remove the specificity of location of the "headquarters" from the language in the Constitution and By-Laws.

WHY is this amendment necessary?

The City of Plainfield is growing and current plans indicate that the NSTRA Office is in the path of the City's municipal development. We do not have an exact date by which we will need to sell our building to the City or face condemnation by eminent domain. During the past 4 years, the National Officers have performed due diligence in obtaining fee appraisals of our property, consulting with City officials, and have researched options for re-location within the city limits of Plainfield and elsewhere. The National Officers have further researched options such as leasing space vs. purchasing a new property. The National Officers determined that with the current trends of property sales within the city limits of Plainfield, the value of our current property will not yield sufficient resources to allow NSTRA to purchase a similar property and move within the city limits of Plainfield. In addition, the rental rates for adequate property within the city limits are currently prohibitively high for any long term commitment by NSTRA.

History and Development of this Amendment:

In April 2021, the National Board of Directors unanimously approved the proposed change and unanimously voted to submit for member approval this proposed amendment to the Constitution and By-laws. As required, the proposal was presented to the membership as follows (**bold and underlined**):

*"The National Headquarters are established in Plainfield, Indiana **and may be subject to relocation by unanimous vote of the National Officers and simple majority concurrence by the National Board of Directors.**"*

The NSTRA Constitution and By-laws require a 2/3 majority of all "votes cast and counted" in order to pass. We did not achieve that benchmark. However, our problem remains and we will ultimately need to move the office. We are committed to doing such a move in a fiscally sound manner with the largest benefit in all ways to the members of NSTRA.

Thus, in April 2022 at the semi-annual meeting of the national Board of Directors, the National Officers presented again to the members of the Board of Directors this same question for discussion. As a result, the National Board of Directors decided to modify the amendment to include a limitation on the distance to which the headquarters may be relocated. That distance limitation is a 50-mile radius from the current location of the Conservation Bird Dog Club located in Amo, IN.

Proposed Amendment 2022:

*"The National Headquarters are established in Plainfield, Indiana; **the headquarters may be relocated by unanimous vote of the National Officers and simple majority concurrence by the National Board of Directors. Any relocation of the National Headquarters shall be limited to a distance no more than 50 miles in any direction from the Conservation Bird Dog Club currently located in Amo, IN.**"*

If you have any questions about this proposed amendment, please contact your Region President or National Officer Representative.

2022 QUAIL FOREVER NATIONAL TRIAL

On Wednesday, the trial started with professional singing and playing of the Star-Spangled Banner, our National Anthem, by Cheryl Lee (the wife of Paige Lee) and a beautiful blessing by Suvoyee Rudd.

The trial was full with 128 dogs from 22 different regions. There were still dogs on the waiting list when the 1st round was completed.

It had rained overnight and threatened rain during the day, but the temperature was pleasant and it was going to be a wonderful day for a dog trial. The 2022 Quail Forever was hosted by the Tokeena Bird Dog Club in Seneca, South Carolina. A big thanks to Doc Ramsey, Paige Lee, Myron Gregory and Billy Moore who took care of anything that was needed doing including hanging posters for our sponsors. Thanks also to Kit Brown from the Rocky Mountain region for the awesome pictures. We also must thank the cook, Gene Frye, for producing fabulous meals (the shrimp and grits were wonderful).

Each dog/handler received 2 small bags of Purina ProPlan, a hat from Red Haw Supply, a T-shirt from Sara Moore plus a car coaster donated by her and a leash.

Bill Sumpter, the trial chairman, had put together an experienced team of officials. Mike Barker (East Carolina), John Holder (Wisconsin) as judges with Lori Sprick (Illinois) as their Field Marshal.

The other team was made up of Bob McCandless (Kentucky), Stan Perdue (Georgia) as judges with Dominique Boucher (Central Canada) as their Field Marshal.

Thursday night was a big celebration for the dogs moving to the second round. It started with Myron Gregory awarding placements for the pre-trial (see the back of the article for placement pictures) and giving a big thank you to Mark Turner the owner of the Tokeena Bird Dog Club.

Mark Turner being introduced by Myron Gregory (SCR president)

It also included a pulled pork meal, onion rings by Bill Sumpter (NSTRA president), and raffle tickets drawing by Quail Forever's representative, Kenny Barker, with a lot of really good stuff.

If you won the raffle, you could pick out anything on this poster

After the raffle, a Calcutta was conducted by past VP Mikeal Mulberry – auctioneer extraordinaire.

Mikeal Mulberry – he says the beard is going away March 1st????

Friday morning also had fog so again the trial started a later than 7:30am but once we got rolling it finished with plenty of daylight. The TOP 12 dogs in this round will advance to Round 3 on Saturday.

The Last Run

Once again, I was in the middle of a CRP field, just off the end of the airport runway in Great Falls, MT. Joined by 40-50 of my NSTRA (National Shoot to Retrieve Field Trial Assoc.) friends, I was there to compete with my bird dogs before I headed out for a week to ten days of bird hunting on the Montana prairie. It was the end of August. August! And, it was 92+ degrees. Somehow, spending most of the long summer in Georgia, I missed the part about it being hot in the heartland. In my parochial, shortsighted vision, I think I assumed anything north would be cooler. (The background laughter is distracting.) The heat was all that more penetrating, because the sun was beating mercilessly on anything crazy, ignorant, or trusting enough to be outside the shade. That included handlers, judges, dogs, field marshals and spectators. Shade was sought and hoarded. Cold water was trading across the board for fizzy drinks. A cool breeze was heavenly. Wet heat, dry heat. It's all hot. The difference is the shade. In low humidity, when you are in the shade, if you stay calm and collected, it may even feel comfortable for a few minutes. Shade and a breeze made life possible.

Of the five bird dogs I carried with me, two were already NSTRA Champions, Cap a three-time Champion (3XCH-derived by points and placements), and Ruby a two-time Champion (2XCH). Cap was retired from NSTRA, he had nothing to prove or gain by running more field trials. At ten and a half years old, he would be my top hunting dog as long as he wanted. Ruby was even a little older

than Cap, by just a few months, but she needed three more points (3 pts.-first, 2 pts- second, 1 pt.- third) for her third championship. She was healthy and running, and she was, far and away, the smartest dog I ever owned.

At least twice in past trials, near the end of the brace, she would her run straight to a spot she pointed earlier but didn't produce. Then, she would point again and I would flush a bird. Both times were in the last few minutes of the brace. Both times, it was a bird that enabled us to advance to the next round.

I thought she deserved another championship. One more championship would also qualify her for regional award, when coupled with her two victories in the 2016 and 2019 Georgia Region NSTRA Championships. She was the only Brittany to ever win the Georgia Regional Championships- and she did it twice. At seven and nine years old.

As we walked to the line that day in Montana, Ruby bounced around and pulled on the lead. Ruby, at 34# soaking wet, wasn't a problem. I always figured her antics were like a Sumo wrestler banging his chest and psyching himself up for the contest. Ruby was excited. I let her get more excited.

We toed the line in the 15th brace, out of 16 total braces for the day. Ruby had a good run on the other field and was currently in second place over there. I knew that second place would gain her two points. It wasn't enough, and we'd need to wait for another trial, another day. I was hoping her second place would hold up though, and I would get at least a third with her on this field, then I'd have the three points necessary for her third championship- and her retirement.

The dog that currently held first place did very good work earlier in the day. He had four finds and retrieves, good ground coverage and obedience scores. I noticed he lacked a score for his back, most likely because he never had the opportunity, since he found four of the five birds set out before his brace.

At the line, Ruby steadied. I unsnapped her lead but held onto her collar. We both waited for the head judge to tell us, "Turn 'em loose!" The other dog, and handler, were to our left. The wind was right to left, coming out of the greater portion of the field. The command was given, and I let go of her collar. She shot out, full speed in a few strides, straight ahead, and then turned sharply to the right, into the wind. I took a few steps, loaded my gun, stowed my lead, and started my watch, all the while watching Ruby. She went out about 100 yards and began a long, looping turn to the left right back at me. I knew to walk slowly, because she was now looking for the "gallery bird", as she passed me and made another loop to the right, having swept the area off the line in a "figure 8" pattern, I felt confident, at that point, we hadn't left any behind. I learned to trust her nose. Of all my dogs, she is the one I trusted most to use her head.

I named her Ruby Deux, or Ruby #2. (My first Ruby was an English Setter.) Ruby Deux was fast, lean, and long-legged. Once, at 8 weeks old, after I picked her up from a well-known breeder in North Carolina the week before, I took her on a walk to the barn to meet the big dogs and start her awareness of the world around her. We sniffed the big dogs then, without saying a word, I walked out of the barn and along a tree line down to the creek about a third of a mile away.

I glanced back and smiled as she noticed me missing, saw me, and sprinted towards me along my track. She passed me up and ran out about 20-30 feet in front, quartering right and left. Still not saying a word, I waited until she moved out a little farther, then I stepped into the tree line and hid.

Usually, the pup will notice I'm gone, start to panic, and I'll magically reappear to "save" them. That game teaches them to keep an eye on me, and know where I am at all times, and it's not my job to tell them. That exercise reaps huge rewards later on when they are running a ridge line 300 yards out, and I see them glance over towards me. Or, I won't see them, but they will swing by 50-100 yards away, stop, check me out, and take off again.

Ruby, however, played the game a bit differently. She turned, noticed I was nowhere to be found, whimpered once, reversed course, and took off at full speed back up the trail. She went by me like an orange blur. I called to her, but she didn't even blink. All I saw was the tail end of an 8-week-old Brit pup, hauling her fuzzy butt back to the barn! I took off running, trying to catch her, but she was going away by the time she reached the barn. She ran right to the pen with the big dogs, grabbed some water from the bucket, and lay down. By the time I arrived, she was panting, but not too hard, and she was glad to see me. Her little stub tail was going a mile a minute. Ruby was a runner. I could only think it was the horseback breeding from her mom. She loved it. Later, she lived for the wide-open stretches of the grasslands. Her dad was Nolan's Last Bullet, a 33X NSTRA Champion, and a multi-National Champion and in the Hall of Fame, a master at the game of NSTRA, but her mom was a horseback trial bird dog, a big runner. It was a great cross.

After cleaning the field in front of the start line, Ruby took off again to the right, into the wind. She swept back and forth, cleaning huge chunks of grass of any birds. Five minutes went by, then ten, and I was beginning to get concerned. We only had 20 minutes left. We covered a good portion of the field and scored no birds on the card. Approaching the right boundary, I didn't need to say a thing to her. She hit the mowed strip and turned to the left to work the corner of the field. I thought perhaps she needed some water, so I raised my whistle and started walking to the flag indicating a water barrel in the deep grass. Right then, the judge yelled, "Point!" I snapped my head around, and smiled as I saw her 50 yards away, still as a statue. I flushed the Chukar, shot it, and she retrieved it to my hand. I told her, "Good girl! Get in, Ruby!" my command to get into the water barrel nearby. I pointed the direction, and she headed that way until she saw the barrel and jumped in. She didn't stay long, only a few seconds. Energized, she took off, down the back boundary, breeze at her back. She worked back and forth, with fast, full strides, until we got to the very back corner. It was 20 minutes into the brace now. There were ten minutes left on the clock. I could tell she was tiring in the heat; she slowed and looked at me, as if to say, "Boss, I've done everything I can think of, and I'm not having any luck. You got any ideas?" Yes, I did. "C'mon, girl," I said. I turned back into the wind, and headed back diagonally across the field, on a different line now, one that crossed close to another water barrel. She passed me by, tongue out, slowing, but still game. "She's about out of gas," the judge commented. "Yeah, she is, judge. She might have given me all she has today." Ruby spun around and pointed, about 30 yards ahead. "POINT!" I shouted. I moved as quickly as I could to her, scanning for the bird. Her back legs were shaking slightly, but that nose was steady, eyes locked on a shrub not far off, and she was "eating scent", her mouth slowly opening and closing. The bird was there. He tried to escape by flushing behind me. I heard the wings, turned and dropped the bird. Ruby was on it in a flash and dropped it in my hand. Five minutes left in the brace, I looked toward the water barrel, back towards the gallery, and decided she needed water more than anything. I whistled her back to me. She turned reluctantly, slowly, and started back. POINT! "Move!" I thought to myself. The bird popped up and flew directly at the judge. "Safety!" I yelled. The bird flew out of bounds. (Ruby would get an average score for a retrieve hindered by an unsafe situation.)

Three birds on the card now and four minutes left. "Ruby, get in, girl!", and I pointed to the water barrel. It was important to make sure she was cool for the last few minutes. A very successful tri-aler once told me, "Randy, don't let her run out the clock if she's hot and can't smell anything. Make her get in the barrel and hold her there. Put water on her belly, chest, and head. Make sure she's soaked! Then, let her finish out the run with a working nose, and a strong stride." She jumped in the barrel, and I put my gun down, and wet her underside, head, and face. After 30 seconds, I sensed a renewed energy in her. "Let's go, Rubes!" She jumped out of the barrel, and immediately became birdy. POINT! I only had a minute or two left, so I moved quickly to the bird. I saw it running on the ground. It saw me and changed direction- "Flushed bird, Judge!" "You got it," he said. The bird took off right then, and I dropped it. Ruby was on it, and slowly brought it to me, and placed it in my hand. I knelt down and stroked her head. "I am so proud of you, Ruby Deux! You've got all the grit a dog can have," I told her.

We had four birds on the card, with only seconds left in the brace. So little time was left, I didn't even check my watch. I expected to hear the judge call "Time!" any second. I stood to get my bearings and heard someone say "Point!" It wasn't us, so I looked left, and there was my bracedmate on point 40 feet away. "Ruby! Here!" I yelled. She started to me, glanced past me, saw the other dog, and froze. "Back!" I shouted. "You got it, Randy. It wasn't pretty, but it was a back," the judge said. "Time," he called. The brace was over.

Laughing, I walked to Ruby and knelt beside her. Her scoring was finished, so I pulled her to me. Four finds, four retrieves (one a safety), and a back- in 92+ degree heat, at ten and a half years old. I took her head, breathed in her nostrils, and tucked her under my chin. She let me catch her this time and sank into me. I'll never forget that short time we spent together in that open field. I was kneeling, holding my dog. Ruby submitted and let me love on her. "That dog has a lot of heart, Randy. I was proud to see her work. Good job," said the judge as he rode by.

Ruby won the trial- by 11 points. Her other field's standing did not hold up, and she was fourth. Her win gave her the three points needed for her third Championship. She is now retired from trialing, and will concentrate entirely on bird hunting, with the occasional growling 'roll-over' of the new pup, Blue, from her last litter. "Don't give me any lip, Junior! When you get two Georgia Region Championship wins, qualify as future inductee of the Georgia NSTRA Hall of Fame, and three NSTRA championships behind your name, I might listen. Until then, shut up and learn." That's my girl.

The 2021 Quail Forever was the first time a National Trial was held in Seneca, South Carolina. The To-keena Bird Dog Club took care of the participants in a grand fashion. Thanks so much for all the hard work a National Trial entails. A special thanks to Paige Lee, Doc Ramsey, Billy Moore, and Myron Gregory for all of their hard work. Also, thanks to Karen Webb for supplying some pictures. On Wednesday when the trial started, the temperature was a pleasant 71 degrees. Perfect for the handlers & a little warm for the dogs.
