Letter from the President

Hello NSTRA members.

The spring trial season is in full swing across the country. Region Elimination trials are taking place in most of the regions. The National Officers would like to congratulate those that have already ran in the 2025 region eliminations and good luck to those who have yet to run. We would also like to congratulate the top 6 finishers of the 2025 Garmin Quail Invitational.

FYI. We have two National Officer positions coming up for election this year - First Vice and Secretary. The election committee will be accepting nominations and please contact Dale Roberts in regards to nominations.

Other committees on the horizon that the officers have been working on to improve and streamline our organization are as follows:

The first committee is the election committee which I've already mentioned. Mitch Prowse is heading up a committee that is rebuilding/ reworking our trial manager system

We have a sponsorship committee that has been doing great things and landing us some new sponsors and are in talks with numerous/ potential other sponsors. The current website is going to be rebuilt to give it much more content and hopefully make it more user friendly.

We have formed a video committee and will be looking for interested members that would like to become involved in this area. It is in the very beginning stages and no doubt will take in a wide variety of options. Our thinking is to start accumulating much needed footage of our field trials and just dog work in general. The committee will then be able to use this to put together items that can be posted on social media; also explaining what NSTRA is about and lure others to our association. In the future I hope to have a steady stream of video footage from anyone willing to share with the committee. This day and age we need to have a face in the social media world. So, anyone who wants to help with this committee please contact one of the national officers.

Sincerely,

Scott Townsend

National NSTRA President

NSTRA MEMBERS - Important things to remember!

Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

GARMIN INVITATIONAL CHAMPIONSHIP TRIAL Formerly known as Quail Forever. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

UKC PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September:

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:
To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship

in the qualifying year/season (only one regional can count per year). Regionals scheduled or re-scheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 - 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for **second place**, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1..

*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

(continued on next page)

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

UNREGISTERED DOGS:

As of June 1, 2022 a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if

available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions.

Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

WELCOME, NEW MEMBERS!!

- 1. Where did you hear about NSTRA/what was the appeal of NSTRA for you?**
- 2. What breed of dog will you be trialing/what is your background with bird dogs?**
- 3. Will your family be a part of the association/attending trials with you?**
- 4. Anything else you would like to include?**

Javier Munoz

- 1. I heard about NSTRA From my good friend Nelson Banuelos.*
- 2. I have an English Pointer named Remington, but we call her Remi. She's part of the family and brings a lot of joy to our lives.*
- 3. Absolutely, my family will be joining the fun! We're a party of four.*
- 4. I enjoy a variety of outdoor activities. I love deer hunting, deep-sea fishing, and horseback riding with my son. As a family, we frequently off-road in our YJ and enjoy camping trips together.*

Andy Miller

- 1. We heard about NSTRA from our dog breeder and hunting club. We were encouraged to look into entering our 1.5 year old Vizsla into events and NSTRA seemed to fit closest to the hunting scenarios our dog will encounter.*
- 2. Vizsla*
- 3. Yes, my wife Lisa joins from time to time in training, hunting and will attend events. We don't have kids, so we spoil our dogs.*
- 4. Our ultimate goal with our dogs are to give them the best life they possibly can, which includes upland bird hunting. My wife and I both also have a competitive side of us, so when we were encouraged to look into events with our 1.5yr old Vizsla, NSTRA caught our eye. Ultimately we want to meet like minded people, learn about the organization, and identify what gaps we have for training our Vizsla to help give him the ability to perform the best he can. We are looking forward to meeting everyone.*

Jimmy Baum

- 1. I am a member of the Arizona Pointing Dog Club and have met a handful of your members throughout the last 4 years. Ron Horn, CJ Hamelton, Dave and Joann Aryies, Jim and Linda Davies to name a few. All of them speak highly of the NSTRA organization and encouraged me to join.*
 - 2. I have two Brittany's that I will be competing with. Both are females. Torvi is 5 years old and has been my partner at the AZPDC and Poppie Cotton is my 15 month old puppy that will start our journey together this year.*
 - 3. My wife will make an appearance from time to time, but not for any reason other than enjoying the outdoors and watching the dogs run.*
 - 4. I love to hunting and work with my dogs. I get great pleasure spending time out in the environment they were born and bred to be in. I hope to meet more like minded individuals who enjoy the dogs as much as I do.*
- Thank you for welcoming me to the club.*

GARMIN CANDIDS

With Brandon Ralston

1. How did you get started in NSTRAs?

I got started in NSTRAs when I was 10 years old with my dad. We've had bird dogs as long as I can remember. There wasn't to many trials that my dad went to that I wasn't tagging along.

2. What was the name of your first dog and did you raise it yourself?

I'd always ran one of my dad's dogs as a kid growing up. My first bird dog that I can actually say was 100% mine was Double R Streak. My dad has always had a big heart! He picked Streak to keep for himself, but he couldn't say no when his grand kids came to his house and pretty much stole her from him as a weened puppy.

3. Did you raise and train Rip by yourself?

No. Rip is owned by Sara Thorne. She got Rip from Scott Townsend as a weened puppy. Thad Townsend actually trained Rip as a young dog. Two years ago, I got to see Rip run at Sara's house, I knew he was going to be special. It's crazy to fast forward two years now and Rip's won back-to-back nationals.

4. How did you prepare for the Garmin Invitational Championship?

You always want your dog doing all his work right and be in tip top shape for all these nationals. At the national level 1 or 2 points could come down to the deciding factor if you make a cut or not. We did lots of roading and made sure Rip was doing his bird work the right way.

5. Did you do anything different for the Garmin Invitational than you do for your weekend runs?

Just made sure Rip was ready to be able to run in the finals on Saturday if we were lucky enough to get there. It's a lot harder on dogs traveling across the country and taking them out of their normal routine at home.

6. Which was the toughest brace during your week at the Garmin Invitational?

I would have to say the very first round was the toughest. We drew Sam Ashmore and Chip. Anybody that knows Sam knows he's always got a good dog to run. On paper it didn't look like it was a tough brace probably. The first three finds Rip and Chip were only 5 to 10 feet apart when we got to them. Both dogs were definitely on their A game that brace. We were just fortunate enough that Rip was just a few steps ahead of him on the first three birds. Rip found his 4th bird just a few minutes later.

7. When did you actually think you had a chance at winning the championship? On Saturday in the final 6 we had to run against Etienne Lavoie and Ghost. Rip had 3 birds about as fast as I could get to him. Finding his 4th bird a little later in the brace, I knew he was all dialed in.

8. Who has helped/influenced you the most in NSTRAs?

Definitely my dad Herb Ralston. Ever since I was little he's been there for me. I've been fortunate enough to learn from one of the best in the bird dog world. I've got to watch him train/handle dogs from early on. Still today he's always a huge part in our success. I'm usually on the phone with him by 7 o'clock in the morning just about every day to see what he's up to.

9. What would you tell a new handler the best way to prepare for a championship trial?

Just to make sure your dog is in tip top shape and to have your dog handling the best that they can. At the national level, if your dogs don't handle, your not going to make it very far. We have way too many good dogs and handlers in this game to get away with making too many mistakes.

10. What is your favorite memory from the 2025 Garmin Invitational?

Definitely running against Vinny Pizzo in the finals. His dog Sage was born as a puppy at my dad's place. She's the same cross as Double R King. Vinny and Sage make a great team together. Sage was trained by Vinny's older brother Angelo Pizzo. We trial against each other just about every weekend, so it's pretty cool to be able to meet in the finals at a national championship.

Skipper's Bandit
Shaun Rydl - Midwest
Inducted in 2023.

Skipper's Bandit passed away in February 2023 at the age of 16 ½ years old. He was one of the best wild bird dogs and companions you could ask for. He spent his retirement running loose at Buzzard Roost kennels keeping an eye on his offspring. Bandit was a 10x Nstra champion owned by Shaun Rydl. He was purchased from Ed Murdock in the spring of 2010 as a "dog that wasn't going to make a field trial dog" and ran until his retirement in the fall of 2016 at the Purina Endurance trial, he took a qualifying placement and made the final 16 cut of that trial. Bandit was out of Hall of Fame parents Angie's Dogwood Skipper and Glover's Nikki, quite possibly one of the best Nstra litters to hit the ground, 5x Treasure State Tiger Woods, #x Nikki's Skippin Rox' 5x Nikki's Skippin Newt and 7x Glover's Reco. Bandit placed in the top 8 of many national trials, 5th a couple of times before he finally got his first final four, a third at the 2013 UKC Performance trial and a fourth at the 2015 DOY. He was 3rd in the 2014 High Performance standings and was in the top ten in 2013. Bandit won the Midwest regional championship trials in both 2011 and 2014 always running national championship caliber bracemates and handlers. He finished with 16 HOF qualification points. His field trial career was cut short in the spring of 2015 when he was hit by a car and underwent surgery that included plates and screws in his left rear leg. He was able to come back and score 14 additional championship points after the accident. He was known at the trials for his high headed pretty points and his hard hitting backs. He had a knack for knowing if he needed another bird or whether to follow his bracemate for a back. Probably his biggest accomplishment is what he has given back to the sport through his offspring.

Submitted by Tad Brown

Crosswind Mirco Chip
Scott Townsend - Michigan
Inducted in 2024.

"Chip" was owned and ran by Scott Townsend. He was whelped on 8/27/2009, his dam is Ricadea Reba's Mac and his sire is Crosswind Truckin Fritz (HOF). Chip was a force to be reckoned with, and if it wasn't for a career ending injury - I know he would have accomplished more. His record speaks for itself, but what makes Chip stand out is his lasting legacy. His direct offspring have gone on to win: 5 NSTR A National Championships, numerous National Top 4 Finishes, Regional Championship Winners & Runner-ups, and countless NSTR A Champions. Continuing his legacy are his grand progeny with, 1 National Championship, 2 Amateur National Champions, National Top 4 finishes and NSTR A Champions. It is rare for a dog to not only have a successful career, but to produce dogs that can win at a National level as well. Chip will be one of those dogs whose name will be forever recognized on a pedigree. If you ever got the chance to see Chip run, you could see the heart he had along with the intelligence it takes to win. I got to spend a lot of time with Chip, he really was humanlike. He welcomed everyone that came to Crosswind Kennel, only if they were willing to pet him - nonstop! Chip made an impact to a lot of people by producing dogs that touched their lives. He will always hold a special place in our hearts. Submitted by Kara Laraway

Love the Hunt

by: Randy Schultz

If you can love the hunt, you will hunt longer, happier, and with more energy than if you only love the covey rise.

I can remember many days of long walks, driving to different spots, talking with farmers and ranchers in small town cafes, and getting 'hot tips' from those I met along the way. Most of the hot tips turned out to be over-grazed pastures long devoid of any gamebird. And, upon reflection, I was never really upset at that. Most times, after the realization I'd been led astray, the situation would elicit a rueful chuckle and a grudging acknowledgement that it's only natural to protect a good hunting area. I thought most of those times, the hot spot in question probably was, at one time, a great place to turn out a dog.

Montana, the Dakotas, the Sandhills, and the Grasslands saw many days of long casts with good dogs hunting hard. Occasionally, we would stumble across birds of one variety or another, but usually it would be tired dogs and legs when we reached the truck again. As I look back, I remember thinking, "I didn't find any birds this cast (or even this day!), but I did find where they weren't." Slowly, I was learning what wasn't good habitat. The days of walking grazed-over pastures became fewer and fewer- unless we crested a hill to the view of a plum-choked coulee crowded with Sharptail Grouse, or a fence protecting a grassy section of land bordering a cut corn field with Prairie Chickens flying back into the grass from the corn. In the Dakotas, a brushy ditch bordering a cut wheat field may meander out-of-sight from the road, full of Pheasant and discoverable only by a trudge through the wheat.

Sometimes the habitat was obviously good. The rain came in quantity and at the right time, and the grass was tall. Seeds that lay dormant for years finally sprouted in the desert Southwest, and the sand was covered with brown grass producing the next crop of seeds for the next

year's rainfall. Also, nutritious food for the local quail. But those days and years were rare as hen's teeth. I tried to enjoy them as much as possible.

I began to realize that what I most fondly remembered overall was the great surprise of cresting a hill after an hour of slogging through hills and cactus and watering my dogs every twenty minutes, to a scene of diked alfalfa fields on a creek I didn't know were there. Then, two hours of shooting Sharptail Grouse and Hungarian Partridge while the dogs hit the creek when they got hot.

Looking back, I smiled at the small victory of finding a place not well known by other travelling bird hunters. The only way I found it was by putting a dog or two on the ground heading into the wind. I realized my best memories were of times when I wanted to turn around and head back, but suddenly the beeper, or GPS pager alerted me to a dog on point.

Perhaps only a third of the long slogs bore the fruit of a new hunting area, but those new areas elicited an excitement and protectiveness that never went away. It took a lot of shoe leather to find them, and once marked on the GPS, or the BLM map, or Gazetteer, they were always cherished locations.

While the thrill of a gamebird flush and harvest is exciting, I grew to realize that the search, or hunt, itself is what I remembered. I now understand my motivation behind endless walks with bird dogs in hopes of finding a new area. I know the ability to go farther, longer, and more often is spurred by the satisfaction of putting the dog noses in the gamebird scent cone. I like the whooshing sound of the quail covey as much as the next hunter. Or the cackling and cursing of the seriously upset rooster Pheasant rising out of the shrub. Or the laughing and mocking "nuh-huh-huh" of the Sharptail Grouse rising from the grass alongside the alfalfa dikes. They all bring smiles.

The motivation is truly in the hunt itself. The memories of long walks with my many different dogs over the years in all kinds of weather and terrain is the motivation for the present season.

The Mid North does a membership newsletter each month to keep members informed of things going on in the regions and every month we try to find something other than business to talk about. It maybe highlighting a past member, current member or past champion dogs that have influenced the success of the Mid North, February's news letter it was suggested by one of our officers that we do a write up on John Wickenheiser a relatively new member of our region that has been a huge part of the success we have experienced over the past few years in the Mid North and I couldn't of been happier to ask him to highlight his journey through the NAVHDA to NSTRA world. John has proven you can in fact do both NAVHDA and NSTRA and he has brought a bunch of new members over from the NAVHDA group. I enjoyed what John had written and asked Marilyn to included it in the national magazine, I hope this inspires ideas that can help us as a organization to bridge between other dog groups and encourage new membership.

Thank you

NSTRA/NAVHDA Pairing

By: John Wickenheiser

After being a lab dog owner for many years, I decided to dip my toe into the Pointing dog world, beginning a new chapter in my life. My eyes were quickly opened watching my GSP, Chase, point bird after bird that quickly grew into the hundreds. Wanting to continue to grow mine and the dogs' abilities I began to eat, drink and sleep NAVHDA, my GSP and I continued to train and learn from each other. We scored very well in the Natural Ability test moving to the Utility test and qualifying for NAVHDA's biggest stage - the Invitational in 2021.

I continued my quest to find better ways to train my dog and a friend recommended I reach out to Tom Dafnis about an upcoming NSTRA trial. Tom went out of his way to walk me through a typical trial and convinced me this was something that I definitely would be interested in.

My first trial was in Ellendale. The weather was not ideal with a thick fog that kept visibility to less than 50 yards. Even with my GPS I could not find the field and almost drove poor Mike off the road trying to find it. Not a great start for me for sure. I finally found someone going to the trial and followed him into the field. I remember being referred to as "some idiot" when I showed up at 6:30 listening to Mike telling someone about our paths literally crossing on the road. This at least gave me the opportunity to apologize to him and begin to focus on the trial. Mike invited me to ride along with him to get an idea of what these trials were all about.

When it was time for my brace, Jason walked with me, helping me through the rules and potential strategies and quadrants. Chase and I stumbled our way through the first run, and I devised a plan for the second run that day.

Please keep in mind my goal for running in these trials was not about winning, (but when I did it was certainly a bonus). It was about the ability to expose my dog to a trail and brace my dog with another dog. Up to this point all my training was with NAVHDA where bracing was not part of the test. But now I was qualified to go to the Invitational which required my dog to back/honor another dog on point. Other than hunting with friends, we had not had the opportunity to brace with other dogs and my goal was to brace him with as many different dogs as I could, providing him multiple opportunities to back - this and to make sure I continue to polish his field work.

NSTRA, as everyone is aware, only requires your dog to be steady to flush. I, however, continued to train only to release the dog with a command after the bird had been shot. I was hooked. It was literally the first trial I brought him to and I saw the vast opportunities and advantages each organization had: **training with NAVHDA and testing with NSTRA.**

I began to reach out to my friends at NAVHDA telling them about this great new sport I found in NSTRA, how much fun I had, and how I felt these two organizations were perfect for each other.

I have been asked many times why **NAVHDA** and why **NSTRA**. To me it's very simple. **NAVHDA** shows the dog's ability to train and **NSTRA** shows the ability to hunt. What a great way to showcase your dog. I have had more than a dozen friends in **NAVHDA** share **NSTRA** trials with me and I have had many friends in **NSTRA** follow me into the **NAVHDA** world. They just plain fit with each other.

I am the director of judging at **NAVHDA**, and I am now a judge for both **NAVHDA** and **NSTRA**. I am blessed with the ability to go into the field and evaluate dogs, to be able to provide a different perspective maybe another handler didn't have. I get to see dogs mature and grow into something amazing.

My philosophy is simple. I always train my dogs to achieve the highest level of the dog's abilities. For example, as training progresses my expectations go from the dog retrieving shot birds from the flush to a retrieve after a command after the bird has hit the ground. I don't train the dog to bring the bird to within one step but to control the bird and to deliver without hesitation to hand.

In **NSTRA** you yell "safety" in the situation where it is not safe to shoot a bird. You can easily teach your dog not to pursue game by yelling "safety" instead of "no bird". The word "safety" in a dog's mind can simply mean stop chasing.

Dogs are smart! It is amazing what Pointing dogs are now being trained to do. In the past few years my eyes have been opened to pointing dogs being trained for drug sniffing, clinical trials to detect cancer or glucose levels in humans, service dogs, stress relief, sled dog racing, endurance trials, and so much more.

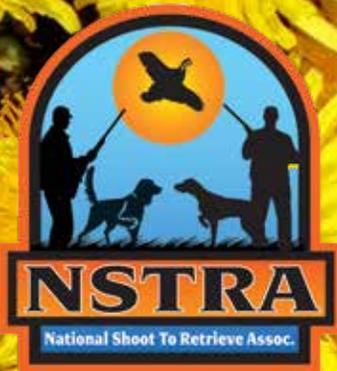

It's fun to train and watch dogs progress and to see the light bulb go on when they understand what is being asked of them and to watch them work in the field.

At the end of the day when it's all said and done I always remind people why we are here: We started for the love of a dog. I now have an invitational champion, an amateur champion, multiple dogs and most importantly great hunting dogs, and many new friends.
