Letter from the President

Hello NSTRA members.

Well the Spring Trial Season is past us and those long hot dog days of Summer are upon us.

The TOC and the Performance Trials are behind us. It is great to see the new faces of folks that have never been in that winners circle or on that final six podium. The winner of the 2025 Trial of Champions was Nutt's Tricky Ryder's Sissy - H/O Bo Nutt; 1st r-up Ragin Cajun Hades - H/O Wayne Fishburn; 2nd r-up Ghost Point's Savannah- H/O - Eric Forrester; 3rd r-up Ragin Cagun Nike - Wayne Fishburn; 4th r-up - Boone County Wine - O/Jeff Moore, H/Mychalie Moore; and 5th r-up - Ricky, H/O Pete Zeldenrust.

Winner of the National Amateur Trial of Champions was Hob's Princess Arya - H/O Billy Brock Jr.; 1st r-up Drenna Mae's Maggie May - O/ Randy Godman, H/ Ashley McCandless ; 2nd r-up Annie Langley - H/O Adam Langley; and 3rd r-up Goodall's Magnum Velocity - O/Kristy Goodall, H/Dean Goodall.

The next magazine will contain the winners of the UKC Performance Trial. Congrats to all those people and their dogs. As we all know it takes time and commitment to get our dogs there.

So, a couple things to remind people of during these hot summer months:

- If you're not working your dogs as much, which many are not, don't let poor fido sit in the kennel and get fat. Keep the dog close to the water so they can cool off when needed.
- If you're not doing much conditioning with them in the summer, be careful to pay attention to their physical shape. Dogs that aren't being worked in the summer months often require a smaller amount of food. They're not burning calories to stay warm or from hunting and conditioning.

The NSTRA officers are working on rebuilding our website as mentioned before. We intend for it to have a lot more content.

If you have any ideas of what it's lacking and want to offer up some fresh ideas, by all means the advice will be welcomed. Contact any of our website committee members or your region president.

We put a post out on our NSTRA Facebook page asking for volunteers to serve on the social media committee. If we are going to grow our organization we need to increase our exposure to the public and social media is probably the best method out there to do that.

So if you have experience and want to serve on the committee let us know please.

Enjoy your summer everyone. See ya in the fall!

Thank you,

Scott Townsend

NSTRA MEMBERS - Important things to remember!

Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

GARMIN INVITATIONAL CHAMPIONSHIP TRIAL Formerly known as Quail Forever. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

UKC PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September:

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:
To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship

in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for **second place**, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1..

*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the

Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

(continued on next page)

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

UNREGISTERED DOGS:

As of June 1, 2022 a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if

available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions.

Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

**WELCOME,
NEW MEMBERS!!**

- 1. Where did you hear about NSTRA/what was the appeal of NSTRA for you?**
- 2. What breed of dog will you be trialing/what is your background with bird dogs?**
- 3. Will your family be a part of the association/attending trials with you?**
- 4. Anything else you would like to include?**

Tony Kustwan

1. *I was running my dog in an AKC walking field trial in a derby stake when the judge, Willie Stevens Jr., and I began talking. He informed me about NSTRA. Since I do not own a horse, I tend to participate in walking trials, and NSTRA appears to be another venue where I could join in the fun.*
2. *Brittany's*
3. *Just in watching.*
4. *I am Hunt Test Secretary for the LaSalle Brittany Club. My wife and I live in near Joliet, IL. and will be moving to Kentucky to be closer to our first grandson, who lives in Owenton, KY.*

Steven Reilander

1. *I think the first time I heard of NSTRA was watching YouTube videos, most likely through Eric Forrester's channel.*
2. *I own a 7.5 year old Brittany Spaniel, and an English Setter puppy.*
3. *My family most likely won't, they are not interested in hunting.*
4. *Everyone was really welcoming and helped me understand the rules and strategy at my first trial. The support has been incredible and after two trials I have some wonderful new contacts and friendships.*

Cale Craig

1. *I heard about it going to AKC trials*
2. *I have three female German shorthairs*
3. *. Me and a few of my buddies and my dad will all be joining for the upcoming season.*

Alexandre Jodoin

1. *I first heard about it briefly when I was talking to the breeder of my first hunting dog and was later able to see some NSTRA practice while training my puppy with my local NAVHDA chapter.*
2. *German Shorthaired Pointer*
3. *My partner is hoping to attend the events as much as possible, but feels a bit nervous about trying it herself.*

Pavel Francev

1. *I heard about NSTRA from fellow hunters and podcasts*
2. *We have Weimaraners.*
3. *Just in watching.*
3. *Yes, my whole family participates in all dog activities .*

Ed Jones

1. My brother, Dan Jones, told me about NSTRA

2025 Trial of Champions National Trial Sponsored by Moore, Etc.

A lot of times handlers & dogs drive up to a trial and do not think about everything that has happened to get the fields ready, the food bought & staged, The Amo Conservation Bird Dog Club greeted us with a patriotic water tub filler honoring Purina ProPlan and our nation over the Easter holiday. A big thanks to all of the people that worked hard to get the fields & club ready for this event.

Whenever you go to Amo, the home of NSTRA, you meet people that have been around since the beginning. Ed Rader attends nearly all of the national trials in Amo & in recent years, has had his granddaughter with him. In 1965, Ed received his 1st place ever trophy at the Conservation Bird Dog Club:

Ed Rader's 1st placement trophy

And 65 years later at the same Bird Dog Club, Olivia Rader got her first placement. What a legacy!

Ed Rader, Ed Rader's son Troy Rader and his granddaughter Olivia with Boss

The trial of champions is a unique trial in that every participant has to be at least a one-time NSTRA champion (achieving 18 open points with 9 points being 1st place points). The first round takes the top 16 from Wednesday & Thursday on both fields. Friday's second round takes the top 12 on both fields to Saturday. Saturday morning round 3 takes the top 6 from each field. Round 4 takes the top 3 from both fields & moves to 1 field for the top 6 in round 5. The last round is the final hour & determines the champion & 1st runner-up.

There were 38 English Setters, 35 German Shorthairs, 16 Brittanys, 13 English Pointers, 3 German Wirehairs, 1 Vizsla, and 1 red setter for a total of 107 dogs entered in the trial. Each dog/handler received 2 bags of Purina ProPlan, a hat by Moore, etc, Vezer Care tube, and a 2025 Trial of Champions commemorative glass donated by Sara Moore at Moore, etc.

Twenty-two NSTRA regions were represented with Indiana having the most dogs at 18, followed by Kentucky with 14 & Illinois with 11.

The weather cooperated on Wednesday and Thursday with lows in the 50's and highs in the 70's. On Friday and Saturday, the rains came but it was not a washout & the temperatures were cooler.

Wednesday A field started with field marshal Kimber Atchison (AR), judges Bob McCandless (KY) and Shaun Rydl (MW) with Noah Sheriff as bird planter. The officials will rotate between fields the rest of the trial.

Each handler was given coupons based on the number of dogs the handler had entered to put into the red solo cup associated with the prize they wanted to win. The prizes included a Garmin collar, Garmin Watch, Yeti cooler, blanket, bird bags, a grill, a Dog & Hunt Supply ice chest, Beretta, a Dakota 283 dog box, a backing dog, a Battle Born Metal Works bench, and Cable Ganz & dog stakes. Check out the winners at the end of the article.

The trial was not so lucky on Friday – it rained & at times it rained hard:

With Bo Nutt

1. *How did you get started in NSTRA?*

I got started in NSTRA thanks to my dad and my papaw—especially my papaw. I grew up watching them handle dogs and run trials, and I was always tagging along, soaking it all in. When I was 11 years old, I planted birds for my very first trial soon to follow I had my first placement. That experience, being right in the middle of it, made me realize just how much I loved the sport. I've been following in my papaw and dad's footsteps ever since.

2. *What was the name of your first dog and did you raise it yourself?*

My first dog was named Ace, a orange and white English Pointer. I did not raise him I was fortunate to purchase him at 3 years of age and then went on to force break him, and he was a natural. He taught me as much as I taught him—probably more, honestly.

3. *Did you raise and train Sissy by yourself?*

I did raise Sissy from the time she was a pup; she was green broke when I sent her to David Deaton to finish force fetching. She had an incredible natural point and intensity, and I focused on steadying her up and working on bird handling. We logged a lot of hours in the field together, which really built our connection.

4. *How did you prepare for the TOC Championship?*

Preparation was all about consistency. I ran Sissy in as many sanctioned trials as I could to keep her sharp. We worked on conditioning, bird work, retrieving, recall, honoring, and—most importantly—staying mentally focused. I also simulated trial conditions with friends to mimic the pressure of a real run.

5. *Did you do anything different for the TOC run than you do for your weekend runs?*

Not drastically. I stuck with what I knew worked for us. The only real difference was giving Sissy a little more downtime leading into the trial to keep her fresh. I also made sure my gear and mindset were dialed in. Mentally, I treated it like just another run—even if it wasn't

6. *Which was the toughest brace during your week at the TOC?*

The toughest brace was probably semi-finals. We drew a very competitive dog that pushed Sissy hard. The birds were planted in good places, the

wind was perfect, and it took every bit of her experience to hold together a quality run. That round felt like a championship in itself.

7. *When did you actually think you had a chance at winning the championship?*

Honestly, not until the final bird in the final brace. There were so many talented dogs and handlers, and anything can happen in a run. But after Sissy nailed her last point and the judge nodded, I had a quiet feeling—we might just pull this off.

8. *Who has helped/influenced you the most in NSTRA?*

There are so many folks, but I'd say Charlie Henry, Bill Moore and Bob Cunningham had the biggest impact. They took me under their wing early on, taught me about dog handling, bird strategy, and, more than anything, sportsmanship. This community is special, and I owe a lot to NSTRA and those who helped me grow.

9. *What would you tell a new handler the best way to prepare for a championship trial?*

Focus on fundamentals. Build a solid bond with your dog, get them steady, and learn to read both your dog and the terrain. And don't underestimate the mental side—stay calm, and treat each run like practice. You can't win it all in one moment, but you can lose it if you panic.

10. *What is your favorite memory from the 2025 TOC Championship?*

Without a doubt, watching Sissy lock up on her final bird in the championship round—tail high, steady as a rock. I'll never forget walking in, flushing that bird, and feeling everything click. It was the culmination of years of work and a moment I'll cherish forever.

I would like to thank NSTRA and my many friends for encouraging and supporting all the years!

Last but not least I would like to thank my wife for all her support. I spend countless hours working dogs and traveling to trials and she never says a word. I only wish she was there to celebrate with me because she deserves it as much as me.

Bo Nutt presenting Ashley McCandless (handler) and Randy Godman (owner) and Maggie with 1st runner-up trophy

The 1st runner-up was Drenna Mae's Maggie Mae owned by Randy Godman and handled by Ashley McCandless. Maggie had 25 open points & achieved her first open championship on April 5, 2025.

The Amateur Championship was lucky to have seasoned Illinois' judging and field marshaling. Bo Nutt as trial chairman went all the way to the SCR to get the bird handler.

Wyatt Sheriff (BP), Ron Huels (J), Mary Kay Kunza (FM) and John Verling (J).

The Amateur Trial of Champions is beat your bracedmate from start to finish on one field – the designated C field in Amo, Indiana. Drawing the trial becomes a little more complicated because needs to be drawn manually so the handlers who are running in the Trial of Champions do not have a conflict with the ATOC.

For the ATOC, 21 NSTRA regions were represented with Ohio having the most dogs entered with 8, followed by Illinois with 7 and Indiana with 6. Seventeen English Pointers, 17 English Setters,

Each dog/handler received 2 bags of Purina ProPlan, a hat by Moore, etc, Vezer Care tube, and a 2025 Trial of Champions commemorative glass donated by Sara Moore at Moore, etc.

On Wednesday, the trial started at 7:30am to perfect weather – cool in the morning and 70's in the afternoon. At the time of the trial, out of the 64 dogs competing in round 1, there were still 26 dogs that were still amateurs.

The rain moved out overnight & on Saturday Mother Nature only spit on us a little. We started at 7:00am because it would be a long day needing to complete 4 rounds of competition.

It is a testament to the quality of the amateur dogs coming up to know that out of the 16 dogs competing in round 3, 8 of them were still classified as amateur.

The Cowboy

by: Randy Schultz

I was in New Mexico and the hunting was good. On the last day of a week-long Scaled and Gamble's Quail hunt, I was due to take the drive to Arizona to see another friend and chase some Mearns Quail. That morning, the weather took a turn, and the weather-guessers started getting all riled up about "a major storm" moving in. I figured I could at least get a few hours in on some spots and then hit the road. I called my buddy and he said, "I can't go today, Randy. A friend called and has 30 or so cows he hasn't messed with all year that need branding before the State finds out they are not. I need to go help him. I don't think they've seen a human in months. This should be good. Why don't you come by?" And, just like that, this middle Georgia redneck became a cowboy. I bundled the dogs in the back of the truck and drove to the ranch house. I only knew one guy there. I was the guy with hunting boots and no cowboy hat. It was colder than a well-digger's back pocket and the wind kept increasing. The storm was supposed to arrive in earnest around noon. Even with all that, I was surprised at the number of people there, especially the women and children. The cowboys brought their wives and children- even some four, five, and six year olds. The little girls had dresses, hats, and cowboy boots and the boys were all carbon copies of their dads- even down to the belt buckles and folding knives. I wasn't too sure they weren't chewing something, too. Everyone was bundled up pretty good.

Horses were saddled to push the cows into the chutes, and lariats were unrolled to rope the calves and get them on the ground to vaccinate and brand them- and castrate the males. The women and girls were assigned that task, while the men and boys worked on moving the enclosed adults in to the chutes headed to vaccinations and branding. It was highly organized chaos. All this took place inside a maze of six foot high steel fencing with gates and separate corrals. Everyone, it seemed, knew what to do- except me. One grizzled veteran, the owner, ambled over to me and handed me a plastic pole. He said it would be helpful if I could stand along the chute, on a ledge, and when told to, tap whatever cow they told me to on the rear end with that short pole to keep them moving. "Be careful with the end of that. It's got a good punch to it."

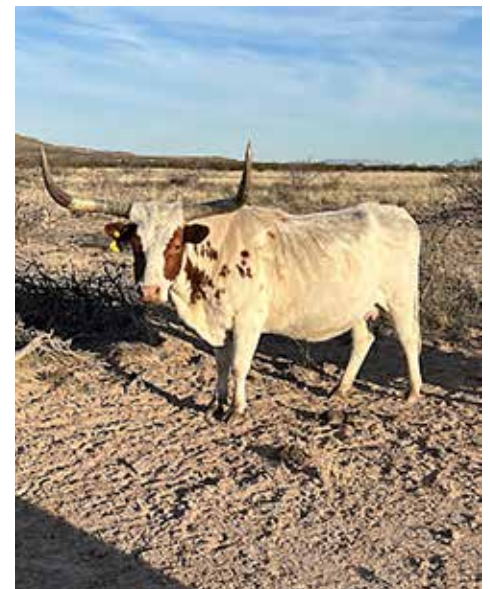

The propane flame started up (I learned later the usual wood fire was deemed impractical in the 30 to 40 mph winds), and the branding irons were laid out to heat up. The horses and riders moved slowly into the large catch pen and began separating the calves and moving the adults in to the chutes. The noise of the cows and calves bawling was constant and loud, until it was just tuned out. I watched one male calf get roped and led in to a separate small corral while a man walked the rope down and picked him up and laid him on his side. Then the cowboy stretched the calf out while lying alongside him and the woman branded him and vaccinated him. Another woman removed what needed removing and sprayed the incisions with antiseptic. The entire operation lasted a few minutes, and the calf was let up and led over to a larger pen and released. I noticed one little cowgirl watch intently as mom performed the procedure, then she started crying and ran away. Mom immediately went to her and picked her up and gave her a hug and set her down with her older sister. Sis took the little one's hand as they joined mom again. It was ok after that. From top to bottom, the little girl was cowboy hat, thick coat, dress out the bottom, and cowboy boots. She had heart-breaker written all over her. The boys were a little more stoic with hats as big

as them and hands in jeans pockets as they followed dad.

Back on the chute, I was dutifully ready with my stick as the line of cows came though the narrow chute one-by-one on the way to the squeeze chute. There they were held while a cowboy applied the brand to their right rear hip. Once that was done, the cow was released into a bigger corral and the next cow was brought up. These cattle had horns wider than the chutes, and it never seemed to be an issue that they would get caught up on gates or each other. But I was careful to pay attention to what was happening around me. Once, a cow stood on her hind legs for a minute before she dropped back into the chute. I noticed that action elicited a few shouts from the cowboys. I was careful to stay out of the way, off the ground, and ready with my little stick. I was happy to be ignored during the seeming confusion and noise, as I took it all in.

Once, a thousand-pound cow wandered in to the calf area with the women and kids. Where she came from, I have no idea, but two cowboys jumped up, opened a gate, and herded her back in to the chutes. Moms and kids never stopped working.

You lookin' at me?

The temperature dropped as the day wore on. The calf operation finished and the women and girls disappeared. Clouds thickened and it was obvious snow was coming. The last of the cows were in the chute. I'd been told to tap a few of the cows on their rear a few times to keep them moving. Each time it did the trick. The end was in sight. "Hey, Randy, do you want to brand a cow?" a cowboy yelled over the wind. "Heck yeah!" I yelled as I jumped off my station. I watched a few times up close, then the grizzled guy handed me a poker with the end red-hot. "Push that on the cow and hold it to the count of three. He's gonna jump some, so don't let it come off him or move around. Put it right there," he pointed at a spot on the cow. I did what I was told and noticed two things immediately. One, that cow was huge. Big, Muscled. Two, she didn't like it. I pulled the branding iron off her side and was handed another. It was a two part brand and had to be put in the proper spot. I applied the second one with confidence as the cow protested a bit. As soon as I pulled the second one off, the squeeze chute opened and the cow came out and, thankfully, kept going. "Great job, cowboy, let's go get some food!" the grizzled cowboy said. Rapidly, the set up was broken down and put away, and we all drove to the ranch house.

Everyone was inside the warmth of the house. A fire was going strong, the kids were playing,

the kitchen was crowded with cooks and pots and pans were moved around. Beer appeared from somewhere and the conversation was constant. The grizzled old cowboy turned out to be the owner of the ranch, from one of the original ranch families on the Llano Estacado in New Mexico. There were sons and daughters and grandsons and granddaughters present with neighbors and friends sprinkled throughout the group. I was welcomed completely and regaled with tales and stories about ranch life. The stories were all amazing, and I wondered if I wasn't being played with a bit.

The old man stood up and the house got quiet. He thanked God for the successful branding and keeping everyone safe, and asked for blessings for everyone there, and thank You for the food. We all said "Amen". When the food came, it was steaks, beans, salad, and mountain oysters. The beer was cold and the house was almost as warm as the fellowship. I realized what a special treat I'd experienced that day.

After dinner, I had to get on the road. The storm was arriving and I had to drive right into the teeth of it before the roads became impassable. Regretfully, I made my goodbyes with the men and women. One young man, maybe six years old, came over, hat low on his eyes. He stuck out his hand, raised his head and looked me in the eye, stuck his hand out, and said, as serious

as a judge, "It was a pleasure to meet you, Mr. Randy. I hope you come back." I squeezed his hand a little and said, "I hope so too, son. Thank you." He nodded that cowboy hat one time and walked away. I glanced up at dad and saw the pride he had in his boy, the future of his ranch.

I got into my truck as a real New Mexico blizzard arrived. The North wind was howling as I pulled onto the two-lane headed to Arizona. Just to be clear, I never did then, nor do I now, consider myself a cowboy. But, I sure saw some real-life cowboys, cowgirls, and ranchers in action. I was warm inside and thankful for what I just experienced. It was a piece of real America.
