WELCOME, New Members!!

- 1. Where did you hear about NSTRA/what was the appeal of NSTRA for you?**
- 2. What breed of dog will you be trialing/what is your background with bird dogs?**
- 3. Will your family be a part of the association/attending trials with you?**
- 4. Anything else you would like to include?**

KEITH CARTER

1. At Pheasant Fest and by other dog owners.
2. German Wirehaired Pointer
3. Yes
4. We're new to dog ownership and we received our first bird dog, Ash (Six year old female) that was giving to my 13 year old son, Timber. Timber wants to be a youth bird dog hunting guide. He has hunted over Ash for grouse , woodcock, pheasant and quail. We're trying to break some of her previous habits but she just wants to hunt and cuddle at the beat of her own drum. She is very loving and always wants to be part of the family.

Bob Hunttoon

1. A friend, Steve Tuil, competes in the Midwest region with his German Shorthaired Pointer. Steve has shared details about the trials and competition and it seemed like a great opportunity to extend time with my dogs outside of the hunting seasons. When I attended the recent Pheasant Fest in Minneapolis, I had the chance to visit with Shaun Rydl and John Johnson at the NSTRA booth and they explained the Board had extended a free membership offer for new members to join and experience all things NSTRA. It was an easy decision to make at that point.

2. I own Wirehaired Pointing Griffons and an English Setter, hoping to get another Setter in the near future to run in NSTRA.

3. I hope so! My wife, Heather, and I have four amazing kids and we also show horses with the family. If a trial weekend allows them a free moment to drive to Osceola, Iowa and the Iowa Gun Dog Association trial grounds I'm certain they would enjoy the experience.

4. In addition to wild bird hunting, I also guide hunts at Doc's Hunt Club near Adel, Iowa. It's another occasion to spend time with my dogs and getting them on birds. I am also involved in the North American Versatile Hunting Dog Association (NAVHDA). Again, it's all about my dogs.

After seeing a trial in action, I am already interested in obtaining my judge's card and being able to help out the local club and organization further. Thank you NSTRA for opening another door for me and my dogs.

Welcome

Letter from the President

Greetings NSTRA members

The spring trial season is coming to a close. Many of the region elimination trials are taking place. I want to remind the region presidents that when they submit their trial results back to the office, that the trial report is different from the normal weekend events. The Elimination report must have every dog that ran ranked in the order in which they placed. We are getting elimination reports back that only ranked the dogs that placed. This causes several issues and really delays things.

The officers and BOD's along with Mary Kay Kunza and her Amateur Trial Committee have formulated and put into place a new amateur format called the Standard Open Amateur trial. This format unlike the Open Combined format will no longer draw an open dog against an amateur dog. The entire format will be put on the website. The hope, with this new format, is to level the playing field on both the open and amateur side of the game. We encourage regions to try it out and give us feedback.

We are taking a look at our current draw system and making the necessary adjustments to flush out some of the past problems and complaints. That is currently under way and it's too early to report on this endeavor. Over the years there have been many legitimate issues and some not so legitimate complaints surrounding the draw process. Hopefully we can fix most if not all of these issues.

I hope everyone has a great summer. Don't forget to enter the Purina Endurance Trial the first week of September. It was an outstanding trial last year and this year the word is this one will be even better.

Last, but not least, I would like to congratulate the TOC placements and thank all the folks that volunteer year after year to get the grounds in shape and run the trial. It's basically a thankless job that in large generally goes unnoticed. A huge thank you to those folks.

Placements for the TOC Open and Amateur Championship follow:

Congratulations!

NSTRA MEMBERS - Important things to remember!

Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

GARMIN INVITATIONAL CHAMPIONSHIP TRIAL Formerly known as Quail Forever. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September:

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:
To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship

in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for **second place**, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1..

*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the

Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

(continued on next page)

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

UNREGISTERED DOGS:

As of June 1, 2022 a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if

available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions.

Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

My Favorite Gamebird

By Randy Schultz

I'm often asked about my favorites. My favorite dog (the one finding birds that day), favorite shotgun (the one knocking birds out of the sky that day), and the best favorite, my favorite game bird. I'd be lying if I said it's always been the same.

Early on, it was the Bobwhite. But, early on, it was the only game bird I hunted. I had a brief affair with the pheasant, and it's still fun to see and hear a really upset rooster take wing in front of a pointing dog. That is almost as much fun as watching a young dog retrieve the big bird to hand.

As I moved West, I ran into some amazing birds: Chukar, Hungarian Partridge, and Sharptail Grouse. Of those three, the Chukar is, by far, the most exotic. You've got to love them and hate them at the same time. Sage Grouse are in that same area, and they are just amazing. They are huge! And a big male, a Boomer, will make your heart stop. A few years ago, my dog, Cap, went on point 50 yards from the mule, after a long, hot cast in Wyoming. I casually walked downhill, unprepared, since I've seen my dog get really pointy when he realizes we are finished hunting for the day. As I approached him, about 25 years out, a huge Boomer blew straight up and down off the steep hill. I want to discuss the retrieve, but I missed both shots, and Cap didn't even bother going after him. What a majestic bird!

For many years, my bird of choice was the Prairie Chicken. A resident of

the prairie grass of Nebraska and South Dakota, they are so similar to Sharptail Grouse that the limit is 3 combined. I was enamored with the huge coveys and the habitat. Late in the year, the coveys get together, and it's not unusual to see flocks of 50. They are smart and don't let a dog get close later in the season.

While I started off hunting Bobwhite Quail, I rarely see them anymore. Typically, I will hunt Scaled Quail, Gambel's Quail, Mearns Quail, and Valley Quail. The first three in the desert Southwest, and Valley Quail in Idaho. They are all amazing, especially in a good year. But I have a fondness for the Gambel's Quail with their little topknot and ability to absolutely make a fool out of a bird hunter. They hide and run and flush and hold until the hunter is so turned around and confused, he will just give up and walk back to the truck.

Blue, or more correctly, Dusky Grouse, is a close second on my Favorite Gamebird list. They are huge and not overly difficult to hit. But they live in some vertical country, and at an elevation of 7000- 10,000 feet. They are one of the best-tasting birds, as well.

But my overall favorite game bird is far and away the Ruffed Grouse. I hunt them in Wisconsin, Minnesota, and Michigan. I have hunted them in Montana and Wyoming, but not nearly in the numbers as in the Great Northwoods. Walking the trails in Wisconsin, in the Fall, with the colors in full riot and the temperature cold in the morning and warmish in the afternoon, is a pleasure remembered forever. A good dog in the grouse woods is an amazing experience. It's a stroll in the woods for a few hours, interspersed with moments of sheer panic as you try to hit a gray bullet, dodging and weaving around trees and alders. At certain times of the year, mingled among the Ruffs are the Woodcock. They will hold like a dream for a new dog, and they are fun to hunt. They get up twittering and dodging and remind me of trying to hit a butterfly. While they are fun, it's the Ruffed Grouse I'm after.

Ruffs are smart, cagey, and the survivors, late in the season, are devilish. More than once, I've been following a flushed bird, slowly and deliberately, only to have the SOB flush from a branch inches from my head, startling me as I throw lead all over the woods! Later, I can laugh at myself as I plot revenge. Ruffed Grouse, the King of Gamebirds.

Trainin' Dogs with Rick Smith

Balance

by Rick Smith & Sharon Potter

The article first appeared in the March/April issue of *The Pointing Dog Journal* (www.pointingdogjournal.com). Reprinted with permission.

Most of the time, when the word “balance” is used to describe a dog, it refers to the dog’s conformation or structure. A well-balanced dog has the right combination of physical traits needed to excel in the field and stay sound for a lifetime of hard work.

While that’s a big part of what makes a dog able to do his job,

there’s another kind of balance that really defines a dog’s capabilities, and it’s found in just one area of each dog – inside the head. A good dog has to have more than just physical balance. Mental balance is even more important than the physical. A dog can have the greatest structure in the world and still not be a bird dog, because the mental and emotional features required just aren’t present.

There are all sorts of bird dogs. And we don’t mean different breeds. Some are easy, others are difficult. Some dogs never quit, while others fade when the going gets tough. One dog will be easy to train, while the next dog takes a lot more time and effort. Another dog will really want to work with you, while the next dog will always be looking for an opportunity to self-hunt. And the list goes on. What we’re looking for is balance – the right amount of mental characteristics. And that can differ, depending on what each of us needs and wants in our dogs.

There are four major components to focus on when evaluating a dog’s mental balance: **sensitivity, softness, sensibility, and smartness**. While these four components are things all dogs have, it’s how they combine and how strongly each trait presents itself during the training process that defines the balance we’re looking for. Keep in mind that all four components are good, in the right balance. Let’s take a look at each of those traits individually.

Sensitivity refers to the degree of response and reaction to a stimulus. This can be either mental or physical. Just like people, all dogs have some level of sensitivity. Sensitivity comes in varying degrees, and by itself isn’t a bad thing and can even be a good thing, depending on how it comes into balance with other traits.

Sensitivity can be defined as the dog’s mental reaction to pressure. A sensitive dog usually reacts to lighter, gently applied cues, whether given via lead, e-collar, or verbal. The challenge comes when a dog is overly sensitive when confronted with specific situations, a good example being a dog that’s gunshy. While we certainly want a level of sensitivity in our dogs

that allows them to respond to our cues, we don’t want a dog that mentally crumbles and falls apart. Somewhere in the middle is the balance we want.

Softness is often confused with sensitivity; while the two are strongly related, there is a difference. A soft dog lacks the toughness and drive to persevere when the going gets a little rough. A dog that physically quits, whether in training or hunting, is soft. It seems to be related to a particular degree of sensitivity that often has a physical reaction. Sometimes the dog will act extremely submissive and lie down, roll over to expose his belly, or wrap himself around your leg. Some of this behavior is “escape behavior” that the dog has learned might stop the pressure. Often, a truly soft dog will also be a low-drive dog. Softness can be thought of as the physical response to a pressure situation.

Sensibility is a trait found in a mentally well-balanced, level-headed dog. In people, being sensible is often related to intelligence, and we’re inclined to think the same applies to dogs: The sensible ones tend to be intelligent. Sensible dogs react to stimuli and situations in a balanced manner and seem to think things through before reacting. They usually have great temperaments and tend to be easy-going around other dogs and in new situations. They don’t overreact to things and appear to have common sense.

Interestingly, most dogs with an over-the-top, obsessively desperate desire to run and hunt (and we’re talking extreme here) tend to rate low in sensibility. On the flip side, a dog that is very soft and sensitive will likely act out of fear and forget what he has been trained to do, which shows a lack of sensibility.

Smartness is also related to intelligence, with the added twist being a dog that is a thinker. He doesn’t just learn and respond; he pushes it to the limits and applies what he’s learned but on his own terms some of the time. It’s pretty easy for a smart dog to be a step ahead of an unprepared trainer. These dogs tend to take the information available and make decisions, often figuring out a situation faster than their owners can react. They present an ongoing challenge to a trainer because of their ability to take what they’ve been taught and run with it.

All four of these traits can be good or not so good, depending on how they combine with things like drive and desire. That brings us back to balance. A truly great dog needs the right combination of traits, and with a trainer or owner who can work with and bring out the best in each. Too much of any one trait can tip the scale the wrong way and throw the balance off.

But to really evaluate a dog, we have to add in a fifth trait, which is **desire**. Desire in the case of a bird dog refers to how much he really wants to do the job. How birdy is the dog? How motivated is the dog to hunt hard and run hard? Does he love it or just like it? A dog with low desire isn’t going to make it out of the starting blocks for most hunters. And since desire defines a bird dog, that has to be the mediating factor in evaluating potential.

Remember, there are no hard and fast rules to this. It’s just another way

of looking at our dogs and the balance that makes them what they are. Plus, what appeals to one person may not work for the next. Some people like a challenge, others want a family dog that also hunts, and still others are looking for that next field trial champion. Pick a balance that works best for you and your individual situation.

Young Handler, Odus Lee Turns 10 and Chases a Dream in his First NSTRA Field Trial

At just 10 years old, Odus Lee is already stepping into a world shaped by tradition, determination, and a deep love for the outdoors. This year marked a special milestone for the young sportsman as he ran his very first NSTRA field trial- an experience he'll never forget- alongside his trusted dog, Chessy. The trial was held at Rudd's Oakcreek Farms, making the day even more memorable for Odus and his family.

For Odus, this wasn't just about competition. It was about following in the footsteps of the men he looks up to most- his dad and his "pawpaw." Watching them hunt and compete over the years sparked something in him early on, and now he's eager to carry on that legacy. "I want to be just like them," Odus says, a goal that's already taking shape with every step he takes in the field.

His partner, Chessy, has a story just as meaningful. The dog was given to Odus by his pawpaw's longtime friend, Harold Smith, who originally got Chessy from Donnie Stir. With that kind of history behind him, Chessy came into Odus's life already part of a strong tradition- and together, they're building one of their own. Remarkably, Odus had only had Chessy for five days before the trial, making their success even more impressive.

In the field, Chessy is a sight to behold. Moving smoothly through tall grass and stretches of miles, he hunts with purpose and intensity. Then, in an instant, he locks up on point- head held high, tail steady, body still as stone- showing the kind of style and instinct that turn heads. With Odus handling and his dad gunning for him, it becomes a true family effort, each playing their role in perfect rhythm. It's in those moments, watching Chessy work and seeing Odus step confidently into his role, that the bond between dog, handler, and family really shines.

Despite it being his first trial, Odus handled himself with focus and heart well beyond his years. Working with Chessy, he showed patience, excitement, and a natural connection that only comes from time spent together doing what they love. It didn't take long for people to notice that this young handler has something special.

Even more impressive, Odus and Chessy didn't just participate, they made their mark. With determination and teamwork, the pair earned the title of champion, an incredible accomplishment for a first-time competitor.

But for Odus, this is only the beginning. With dreams of becoming a skilled hunter and field trial competitor like his dad and pawpaw, he's already on the right path.

2026 TRIAL OF CHAMPIONS AND AMATEUR TRIAL OF CHAMPIONS

Coordinating the NSTRA National Event in Amo, Indiana was more than a competition—it was a gathering of passion, tradition, and the unmatched bond between bird dogs and their handlers. For a few unforgettable days, the grounds in Amo came alive with the sound of eager paws, steady whistles, and the excitement of competitors from across the country coming together to celebrate one of the sport's most respected events.

We were proud to begin the NSTRA National Event with a moment of gratitude and patriotism as Cray String led the opening prayer, setting a respectful and heartfelt tone for the days ahead. Following the prayer, all in attendance stood together for the National Anthem, a powerful reminder of the traditions, freedoms, and shared values that unite competitors and spectators from across the country.

National Anthem

Prayer led by Cray String

An event like the NSTRA National Event does not happen without the dedication of so many hardworking people, and we would like to extend our sincere thanks to everyone who helped make this week in Amo, Indiana such a success.

A special thank you to Ed Jobst for preparing Wednesday night's outstanding barbecue meal of pulled pork, tenderloin, salad, and beans that everyone thoroughly enjoyed.

We are especially grateful to our kitchen crew who kept everyone fed and taken care of throughout the event: Don Combs, Kerry Hornaday, Tom Forrester, Darrel Wisner, Olivia Rader, Deron Flynn, Diana Weitzel, Ed Jobst, Carson Schumacher, and Tyler Dowdy.

Thank you to Sarah Moore for designing and creating the event shirts. We also want to recognize Mitch Prowse for putting on an excellent trial and helping ensure everything ran smoothly. Due to personal conflicts however, Mitch would like me to personally thank and point

out that Bo Nutt and Lisa Hall helped pull this event off and he couldn't have done it without them.

A special thank you as well to Roger Parient and Ed Jobst for all of his help with the pre-trials and for extending that same support throughout the National event.

We appreciate the presence and support of our NSTRA officers: Bo Nutt, Dean Goodall, Scott Townsend, Mitch Prowse and Brian Rebello for representing the organization throughout the event.

A big thank you to our marshals, Cray String, Angela Bautista, and Cookie Anderson, whose efforts kept things organized and moving efficiently.

Andy Kurth

Finally, a heartfelt thank you to the ladies in the office, Lisa and Caitlyn, for all of their help and everything they did throughout the week. And to Bill Sumpter for doing the draw for the first round amateur event.

We would also like to sincerely thank our generous sponsors whose support helped make this event possible: Purina, Garmin, Dogs Unlimited, Bird Dog Hall of Fame, Bob Bertram, Pointing Dog Journal, American Brittany, Dakota 283, Moore, Etc., Nutt's Double 'N' Kennels, Asher Pet Products, Cable Gangz, Vezer Care, Nutter's Kennels, ALUM-LINE, GUNDOG NATION, and Rocky Talkie.

Each handler also received a generous welcome package that included an event shirt designed and created by Sarah Moore, a logo-printed microfiber towel donated by Moore, Etc., and a

6-pound bag of Purina Pro Plan dog food. These thoughtful gifts were greatly appreciated and added to the overall experience of the NSTRA National Event.

Wednesday evening featured a warm welcome dinner where pre-trial awards were presented by Roger Parient Jr., giving competitors a chance to gather, celebrate, and kick off the week together.

Thursday night concluded with the awards banquet, where placements were presented by Mitch Prowse and Bo Nutt. It was a perfect ending to recognize the hard work, sportsmanship, and accomplishments of all involved.

The NSTRA Trial of Champions opened with 124 dogs competing in the first round over Field A and Field B across two days. On the first day, both Field A and Field B carried 32 dogs each, while on the second day both fields carried 30 dogs each. From each field, the top 16 dogs advanced, moving 64 dogs forward to round two.

Round two was conducted on Field A and Field B, each hosting 32 dogs, with the top 12 from each field advancing, narrowing the field to 24 dogs.

Round three again used Field A and Field B, each with 12 dogs, and the top six from each field advanced, leaving 12 dogs remaining.

Round four featured six dogs on Field A and six dogs on Field B, with the top three from each field advancing, reducing the competition to six finalists.

Round five brought the six remaining dogs together on Field A, where the top two advanced to the final round.

The championship concluded in round six with the traditional Beat Your Brace Mate format, where the final two dogs competed head-to-head to determine the Trial of Champions winner.

The NSTRA Amateur Trial of Champions was contested on Field C and began with a strong entry of 64 dogs over the first two days. Round one was split across two days, with 32 dogs competing each day. Each brace was beach your bracemate format.

Round two featured 32 dogs, with 16 advancing to round three.

In round three, the field was narrowed to 16 dogs, with eight advancing.

Round four then featured eight dogs, with four moving on.

Round five reduced the competition to four dogs, where two advanced to the championship final.

The event concluded in round six with the traditional Beat Your Brace Mate format, where the final two competitors went head-to-head to determine the Amateur Trial of Champions winner.

Kicking off the week's competition at 7:30 a.m. on Field A, the very first brace to begin our events featured GHOST'S POINTS LETHAL WEAPON, handled by Eric Forrester, matched against RHOADES WOODS DIXIE, handled by Tim Rhoades. It was a fitting way to open the National event, with two talented dogs and handlers setting the tone for an exciting week of competition.

With the opening day of competition complete, the tone had been set for an outstanding week at the NSTRA National Event in Amo, Indiana. Competitors and dogs from across the country showcased impressive performances, making for a strong start to the Nationals. As the scores were finalized, it was time to recognize the handlers and dogs who rose to the top on day one. The following are the day's placements and highlights.

Wednesday Night Welcome Dinner

The week got off to a great start Wednesday evening with our Welcome Dinner, where everyone gathered to relax, catch up, and enjoy some outstanding food. Ed Jobst served up a mean barbecue spread featuring delicious BBQ pork tenderloin, BBQ pulled pork, beans, fresh salad, and macaroni salad that was enjoyed by all. The evening also included an awards ceremony for the pre-trials, recognizing some early accomplishments before the main events began. It was a great night of good food, good company, and plenty of laughter as friends old and new spent time together. Below are the placements for the next day.

Thursday Award Banquet

Thursday night's Award Banquet was another highlight of the week, bringing everyone together for a fantastic meal and the first round of awards presentations. Guests enjoyed a catered dinner of BBQ pork, fried chicken, mashed potatoes with gravy, bread, and all the fixings. Along with the meal, an impressive number of prizes and giveaways were handed out, adding even more excitement to the evening. Items included Rocky talkie radios, kennel dog bowls, a \$250 gift certificate from Nutter's Kennels, \$150 from Moore Inc. donated by Sarah Moore, a tie-out from Cable Gangz, and a \$100 donation from Bo Nutt of Nutt's Double "N" Kennels. It was a memorable night that showed the generosity and support within our trial community.

As the trial comes to a close, attention now turns to the Championship awards presentation, where the top Amateur and Open finishers will be recognized with an outstanding lineup of prizes generously provided by our sponsors. Competitors have plenty to be excited about, with awards including Dakota Kennels, Diamond Deluxe L&M MFG kennels from Nutters Kennels, Garmin training systems, Purina Pro Plan dog food, custom Migra field ammunition packages, bird bags, portable pet bowls, Chain Gangz, VezerCare products, quad bags, Dog Unlimited gift cards, and Chuck Asher backing dogs.

The Amateur Top 6 and Open Top 6 will each take home an impressive share of these prizes, rewarding strong performances throughout the week. First-place champions in both divisions headline the awards with Garmin transmitter and collar packages, premium kennel selections, and additional gear packages. Second through sixth place winners will also receive a variety of valuable prizes ranging from kennels and backing dog certificates to bird bags, dog food, ammunition, Chain Gangz, and sponsor gift cards.

Special thanks go out to all of the sponsors whose generosity helped make this year's awards package one of the best yet. Their continued support plays a major role in the success of this event and in giving competitors something special to compete for. Be sure to check out the photos from the awards ceremony to see this year's winners with their well-earned prizes.

With the week winding down, all eyes now turn to the championship field as we head into the final hour of the Open division and the last half hour of the Amateur stakes. After days of top-level competition, it all comes down to elite performances under pressure, with the Open crown still up for grabs between two outstanding females.

Representing Indiana, **Ragin Cajun Nike** and handler Wayne Fishburn have earned their spot in the finals through consistency, drive, and proven success. The German Shorthaired Pointer, whelped January 6, 2023, is out of TC's Get Lucky Lou and Ragin Cajun Athena. Despite her young age, Nike has already built an impressive résumé with **3 Open Championships, 60 Open total points, and 41 Open first-place points**. She enters the final round looking to add another major win to an already strong career.

Standing opposite of her is another Indiana standout, **Ghost Point Savannah** with handler Eric Forrester. Savannah, a German Wirehaired Pointer whelped March 19, 2022, is out of Ghost Point Wilson's Magnolia. She comes into the finals as one of the most decorated dogs in the field, boasting **6 Open Championships, 113 Open total points, and 70 Open first-place points**. Savannah's experience and proven championship pedigree make her a formidable contender as the final hour begins. Two elite competitors. Two accomplished handlers. One final round to decide the champion.

Amateur Division

In the Amateur stakes, the competition has been just as intense, with standout performances carrying momentum into the final half hour of the weekend.

Leading the way is **Superior Gundog Rooster Get Your Gun**, handled by Greg Gronley and owned by Dawn Gronley. This experienced German Shorthaired Pointer male, whelped August 5, 2020, brings a solid record into the final stretch with **15 Open total points and 9 Open first-place points**. His consistency, experience, and strong handling partnership have kept him at the top of the leaderboard as the Amateur division comes down to the wire.

Chasing closely behind is **True Blue's Little Sister Jana**, handled by Kara Hartmann, a German Shorthaired Pointer female from Michigan. Jana is sired by HK's Knockin' at the Door and out of True Blue's Crosswinded Jolene, whelped January 1, 2025. Despite being one of the younger dogs in the field, she has already made a strong impression with **11 Open total placements and 6 first-place points**, showing maturity, bird sense, and steady handling beyond her years.

Closing

As the final braces were completed and the dust settled on another full week in the field, the trial came to a close with strong competition, somewhat steady conditions besides a day of crazy rain at times, and a field full of quality performances from start to finish. Handlers, dogs, and judges all contributed to a weekend defined by consistency, sportsmanship, and hard-earned opportunity.

When it mattered most, the results came down to two standout teams. **Wayne Fishburn and Ragin Cajun Nike** rose to the top of the Open division with a composed and commanding finish, while **Greg Gronley and Superior Gundog Rooster Get Your Gun** secured the Amateur title with a steady, well-managed performance.

2025 NSTRA/Shriner's Field Trial

2025 NSTRA/Shriner's Field Trial was held on October 12 and 13; October 11 was the Illinois Region Benefit Trial at the World Shooting and Recreational Complex in Sparta, Illinois. People came from far and near to join us in helping the Shriners Hospital for Children. Regions participating were Indiana, Kentucky, Arkansas, Mid-West, Mid-South, Northern Illinois, Wisconsin, Gulf Coast, West Texas-Oklahoma, and Mo-Kan. We can't thank those enough who participated in any way for their support. Most of these people come each year to help raise money for the hospitals and occasionally we are joined by new people who have heard about the Shriners and their help for children wherever they are located.

Todd and Keith Huels fried fish for our Saturday lunch. The Shriner Unit brought their little wagon and fixed chicken wings to add to the meal with slaw and baked beans. Thanks to Todd and Keith who are always willing to help.

Sunday was the Shriner's Day to prepare BBQ Ribs and all the fixins'. These people know how to make BBQ ribs. Everyone always looks forward to the Sunday meal from the Shriner's. Thanks to them for their help.

The Saturday night banquet was held at the restaurant on the grounds of the complex. We were served a superb meal with appetizers donated by Mark Kohlberg and Rick Bertinetti. An auction was held after dinner raising \$8,095 to help with our donation to the Shriner's. Brian Schoenbeck was the auctioneer for the evening attending with his wife and daughter.

Ron Huels was able to get donations from Huels Oil and several other oil companies to cover the cost of all the birds for the Shriner's benefit portion of the trial. Thank you Ron.

The Illinois Region will be providing a check to Shriner's Hospital for \$25,000 at our Summer Meeting. This brings our total donated to approximately \$777,000.

The high point belt buckle went to Shane Tointon with his dog Sorry. Shane is always willing to come from Minnesota, bringing with him 2 or 3 dogs to help add to our check for the Shriner's Children Hospital. Congratulations Shane and Sorry.

Again, thanks to all our participants, families, and workers for helping at the Shriner's Trial. We appreciate all the help and look forward to the 2026 Shriner's/NSTRA Trial.

The 2026 Shriner's Trial will be Oct 17 and 18 and Illinois Region Benefit trial will be Oct 16. New this year will be a three-day Open Double and a three-day Single Amateur Only trial. A High Point belt buckle will be awarded for the Open, donated by Bobby Clark, and a High Point belt buckle for the Amateur, donated by Randy and Pam Broady.

Thank you to everyone who continues to make this event such a meaningful tradition.

See you in October!

The American Brittany

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The clubs also hold meetings, fun trials, training sessions and other events of interest to the Brittany owner. Membership in the American Brittany Club entitles you to a monthly issue of the American Brittany Magazine. This publication which began in 1949 keeps you abreast of what is happening in the Brittany world. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

YEARLY MEMBERSHIP IS \$50.

Hunting With Dogs: Training and Safety Tips

<https://www.akc.org/expert-advice/training/tips-for-hunting-with-your-dog/>

Reprinted with permission.

Hunting with dogs is an exciting way to experience outdoor life together. Dogs have been hunting with humans for millennia. Many hunting breeds were actually developed specifically to find, flush out, or retrieve game. But that doesn't mean that your dog will automatically know what to do on a hunt.

Before you head out in search of game with your dog, you'll need to train them. Aside from helping you find and retrieve the quarry you're after, dogs also must become used to loud sounds like gunshots. You'll also need to bring along the proper hunting gear necessary to keep your dog safe and satisfied in the field.

Get Your Dog Used to Gunshots

Gunshots are loud, and the sound can spook your dog into running off in the middle of a hunt. That's why gun training is so important. Cara Harper is an expert in the field who regularly hunts with her Labrador Retrievers, Nita and Rou.

Harper and her husband trained their dogs by running retriever drills for the dogs, tossing a decoy "bumper" for the dogs to fetch. At the same time, to start with, one of them would fire a gun 100 yards away. "The shooter fires a shot as the dog leaves to make a retrieve. With each retrieve, the shooter eases closer from behind the handler and dog," says Harper.

Reward your dog as they slowly get used to the shots. Continue the process gradually, until the gunner is eventually right beside the dog when shooting.

Train Your Dog to Help Locate Game

"Obedience is the keystone that all other training is built off," says Harper. "If a dog won't do a sit/stay for a short period of time on a stand, then there is no way that they'll have the control to sit through an exciting duck hunt."

Trainer Barton Ramsey recommends starting obedience training when your dog is 8 weeks old. He recommends starting retrieval training when they're 6 to 7 months old. By this point, your dog will have the necessary skills and physical ability to handle more demanding tasks.

When teaching dogs to find and flush out game, Harper suggests running quartering drills regularly. Quartering drills teach your dog to run back and forth ahead of you in a zigzag pattern. This allows them to locate more game than walking in a straight line. You can set up bumpers to guide your dog in this pattern, and use slight arm movements to help guide your dog. After the dog approaches each bumper, praise your dog or give them a tasty treat.

Train Your Dog to Retrieve Game

An excellent way to train your hunting dogs to retrieve game is to simulate a hunting scenario using decoys. Repeat the training on land and in water. This helps dogs get acclimated to different kinds of terrain.

"We'll have a bird boy one hundred or so yards out in a field blow a duck call and catapult a bumper into the air so that the dog sees it fall," says trainer Bob Owens. "The dog will then run out and bring back the bumper. Eventually, the dog learns to watch the sky for falling birds and to mark their location so that your dog knows where to find them for the retrieve."

Blind retrieve training is also critical, since it allows you to guide a dog to a fallen bird that they might not have seen fall. Perfecting blind training can be challenging, and Harper suggests learning to guide your dog by using a series of dog whistles and/or hand signals.

Test Hunting Skills and Reinforce Training

Before hunting with dogs, consider participating in AKC Retriever Field Trials and hunting tests. Hunt tests help show you how well your dog will perform in the field. Field trials, meanwhile, let more experienced dogs show off their skills on the hunt. Plus, the events are geared towards the unique skills of different breeds, including Pointers, Retrievers, and Spaniels.

Harper and Owens regularly participate in both field trials and hunt tests with their dogs. Owens also participates in events through the Master National Retriever Club. These hunt-focused events ensure that his dogs are ready for the hunt and help keep dogs active and in shape during the off-season.

Pack Proper Hunting Supplies

While hunting with dogs, you'll need to bring along some gear to keep them comfortable and safe. It's always a good idea to put your dog in an easily-seen orange safety vest. That way, other hunters can easily spot them.

Jennifer Danella regularly hunts with her Labrador Retriever L.K. and Beagles Remington and Beretta. "Any hunt I bring my dogs on, I have a first-aid kit filled with bandaging material, wound care items, and other emergency supplies," says Danella. "For waterfowl hunting, my retriever L.K. wears a buoyant vest. She has her own hunting blind and elevated stand to stay warm and safe in the elements."

Melissa Bachman hunts alongside her dog Pork Chop. She brings plenty of supplies to keep Pork Chop well-fed and hydrated. "I always bring water and food dishes, a toy, and treats to keep in my pocket," says Bachman. "When we hunt out west, I bring along extra water bottles and a travel-size bottle of dog shampoo. Pork Chop likes to find fresh cow pies and roll in them."

Whether you hunt regularly with your dogs or simply want to participate in some fun sporting events that focus on your dog's natural hunting abilities, consider checking out AKC performance sports. You'll also find lots of upcoming events to choose from, so you can find one that's right for your dog.
